Public Utilities Commission

I oppose the route change effected April 10, 2025. If I had received notice of the hearing and had I known of the proposed change, I would have appeared to oppose it.

I receive no notices of meetings.

I was able to obtain the video of the April 10, 2025 meeting. I have never heard from Mr. Potter or Mr. Mertens.

Please reconsider Route 213.
