Dear Ms. Bergman:

(Montana-Dakota), herewith electronically files its Reply Comments to the Response Comments of the Minnesota Department of Commerce, Division of Energy Resources (Department) filed on November 17, 2025 in the above referenced docket.

The Department recommends accepting Great Plains' proposed level of demand entitlement and allowing the Company to recover the associated demand costs through the monthly Purchased Gas Adjustment effective November 1, 2025. The Department also recommends approving Great Plains' proposed capacity release of 8,000 dk on Viking Gas Transmission contracts for the 2025-2026 heating season.
