##### **C. Date of Filing**

The date of this filing is June 13, 2018.

##### **D. Controlling Statute**

Exclusive electric service territories have existed in Minnesota since 1974, and are considered necessary to encourage the development of coordinated statewide electric

service, to eliminate or avoid unnecessary duplication of utility facilities, and to promote economical, efficient, and adequate electric service to the public.

Minn. Stat. §216B.37 provides electric utilities the exclusive right to serve customers within an assigned service territory, and Minn. Stat. §216B.40 prohibits the provision of retail electric service by another utility within that assigned service territory, absent written consent.

Minn. Stat. §§216B.37-216B.47 provide the terms and conditions under which a city may extend retail electric service throughout the corporate limits of the city and authorize and permit electric utilities to define and revise their electric service territories by their written consent and agreement. Thus, two parties may agree to modify the boundary between their service territories by requesting Commission approval after notice and hearing under Minn. Stat. §216B.39, or service by exception is consented to under Minn. Stat. §216B.40.

In this circumstance, the land at issue in the Agreement is in Xcel Energy's service territory, but Xcel Energy did not provide service to any customers in the land at issue. Waseca annexed the land and pursuant to Minn. Stat. §216B.44 decided to provide service in the area it had previously annexed. This Agreement is consistent with Minn. Stat. §216B.39 because it avoids the unnecessary duplication of facilities, provides adequate electric service to all areas and customers affected, and promotes the efficient and economical use and development of the electric systems of the contracting electric utilities. The Agreement in this petition includes a permanent boundary change for approximately 6 acres of land, agreed to by both parties as shown in the Agreement.<sup>1</sup>

APPROVAL OF AN ELECTRIC SERVICE  
TERRITORY AGREEMENT BETWEEN  
NORTHERN STATES POWER COMPANY  
AND THE CITY OF WASECA

DOCKET NO. E002,325/SA-18-\_\_\_\_

**SUMMARY**

**Summary of Filing**

Please take notice that on June 13, 2018, Northern States Power Company, doing business as Xcel Energy, and the City of Waseca (the City) filed with the Minnesota Public Utilities Commission a joint petition for approval of an Electric Service Territory Agreement between Xcel Energy and the City. The Service Territory Agreement will permanently transfer the service territory for approximately 6 acres of land in Waseca County to the City of Waseca from Xcel Energy.

## **ELECTRIC SERVICE TERRITORY AGREEMENT**

This agreement ("Agreement"), made and entered into effective the 27<sup>th</sup> day of November, 2017 by and between the City of Waseca, a municipal utility duly organized and existing under the laws of the State of Minnesota (the "City") and Northern States Power Company d/b/a Xcel Energy, a public utility duly organized and existing under the laws of the State of Minnesota (the "Company"), individually referred to as a "Party" and or collectively as the "Parties."

**WHEREAS**, the laws of the State of Minnesota, namely Minnesota Statutes §§ 216B.37-216B.47, provide the terms and conditions under which the City may extend retail electric service throughout the corporate limits of the city, as well as authorize and permit electric utilities to define and revise their electric service territories by their written consent and agreement;

**WHEREAS**, the City seeks to provide electric service to an area of approximately 6 acres known as Market Place Addition, owned by the City of Waseca, and described in greater detail in the map and legal description attached hereto as Exhibit A ("Affected Area"). The Affected Area was annexed into the city limits in approximately 1993, and the City has incurred significant expense in the land and improvements in an effort to establish the Affected Area as a city industrial park. The Affected Area is located within the electric service territory assigned to the Company;

**WHEREAS**, the Parties have negotiated a mutual settlement and wish to avoid litigation regarding compensation for such electric service territory transfer.

**NOW, THEREFORE** in consideration of the premises and of the mutual covenants contained herein, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

### **Article I: Transfer of Electric Service Territory Rights**

1.1 The exclusive right and obligation to provide permanent electric service to the Affected Area shall automatically transfer to the City upon approval by the Minnesota Public

Utilities Commission (the "MPUC") of the service territory boundary adjustment (the "Transfer Date"). Attached hereto as Exhibit B is a Minnesota Geospatial Information Office ("MnGEO") map showing the Affected Area. Pending approval by the MPUC, the Parties acknowledge and agree that the City may provide interim service, on a service-by-exception basis to the customer located at 1905 North State Street, Waseca, Minnesota (the "Interim Service Customer").

## **Article II: Settlement Payments**

2.1 Loss-of-Revenue Payments. As settlement payment and in consideration of the covenants, releases, and representations made by the Company herein, the City agrees to make the following loss-of-revenue payments to the Company. Subject to Sections 2.1.1 and 2.2, the City shall pay the Company an amount equal to the result of multiplying one cent (\$0.01) times each kilowatt hour of electric energy sold by the City to each customer to whom the City provides retail electric service in the Affected Area, *provided that* the City's payment shall not exceed the customer's maximum usage of two hundred fifty thousand (250,000) kilowatt hours during the 10-year compensation period, or a maximum payment of \$2,500 per customer. The loss-of-revenue payment period shall commence on the Transfer Date, and shall continue thereafter for ten years, unless the maximum usage of 250,000 kWh is first satisfied.

2.1.1 Interim Service Customer. The Company has estimated the anticipated consumption for the Interim Service Customer that is or soon will be under construction in the Affected Area, based upon similar types of service. For this Interim Service Customer, the City shall remit payment of \$2,500 to the Company within 90 days after receipt of the order by the MPUC approving the modification of service territory, or another date mutually agreed upon by the Parties.

2.2 City Facilities. The loss-of-revenue payments under Section 2.1 shall not apply to facilities owned or operated by the City for providing City services, including, but not limited to, streetlights.

2.3 No Other Payments. The Parties acknowledge and agree that except as provided in Section 2.1, no other payments (including, but not limited to, payment for purchasing facilities of the Company, integration expenses, or other appropriate factors) shall be due for the transfer of the Affected Area under the terms of this Agreement.

2.4 Payment Process. Except as provided in Section 2.1.1, the calculation of any amount due under Section 2.1 shall be made for the period concluding on December 31<sup>st</sup> of each year under consideration and payment of the annual amount so determined will be made by the City by March 1<sup>st</sup> of the following year. The City's sales shall be calculated on the basis of its meter readings, as made in the ordinary course of its utility business.

2.4.1 With its payment, the City shall provide a written report to the Company, certified as true and correct by the City Manager or authorized representative of the City, summarizing for the Affected Area the kilowatt hours sold by the City and the basis for the calculation of the compensation due the Company.

2.4.2 The City shall also provide the Company copies of such additional supporting data as the Company may reasonably request, including metering data that reflects kilowatt hours sold, but, pursuant to Minn. Stat. § 13.685, may not contain any data that could identify any customer (e.g., by name, address, phone, or social security number). Any dispute concerning amounts due under this Article 2 shall be governed by Article 7 of this Agreement.

### **Article 3: Filings**

3.1 Promptly after the execution of this Agreement, the Parties shall file a joint request, under Minn. Stat. § 216B.39, subd. 3, legally describing and depicting the Affected Area, that the MPUC modify the service territory boundary and recognize the service territory transfer. The Parties shall cooperate on the filing.

3.2 If the MPUC, the Department of Commerce, or any interested person raises any question or challenges any provision of the boundary adjustment, this Agreement, or the due performance thereof, the Parties shall each, at their own expense, exercise any and all lawful

efforts reasonable and necessary to respond to said questions and to assure the transfer of service territory. If for any reason the MPUC refuses to recognize any service territory transfer described in Article 1, the Company shall return any payments made by the City pursuant to Article 2, upon demand by the City.

**Article 4: Representations and Warranties**

4.1 The City and the Company hereby mutually represent and warrant, each to the other, as follows:

(a) Each is duly organized and existing in good standing under the laws of the State of Minnesota and each has all requisite power and authority to own, lease, and operate its electric service facilities;

(b) Each has the power and authority to execute, deliver, and carry out the terms and provisions of this Agreement and has taken all the necessary corporate action to authorize the execution, delivery, and performance of this Agreement; and

(c) This Agreement constitutes a valid and binding obligation of each Party enforceable in accordance with its terms.

**Article 5: Mutual Waiver and Release of Claims**

5.1 The Parties do hereby each unconditionally release and waive any and all claims, known or unknown, which they may now have or have in the future arising from any action or omission of the Parties or any fact or circumstance first occurring prior to the date hereof, whether or not continuing in nature, which relate to or arise from the right of either Party to provide electric service to the Affected Area, including any particular person, area, facility, or site by reason of the electric service territory laws of the State of Minnesota. Provided, however, the foregoing provisions of this Article 5 do not waive or release any claim that either Party may have for any breach of any covenants or any misrepresentations contained in this Agreement.

5.2 Each Party will be responsible for its own acts or omissions and the results thereof to the extent authorized by law and shall not be responsible for the acts or omissions of any others and the results thereof.

**Article 6: Term and Scope of Agreement**

6.1 This Agreement shall commence upon the effective date and continue thereafter for a period of ten years.

6.2 This Agreement (including recitals and exhibits hereto) constitutes the entire Agreement and, with respect to the transfer and compensation of the Affected Area, supersedes all prior agreements and understandings, oral and written, between the Parties hereto.

6.3 The Parties acknowledge that this Agreement is the result of arms-length negotiations between the Parties, each taking into consideration the costs and risks of litigation otherwise required to resolve the matters addressed in this Agreement. This Agreement does not reflect the position of either Party as to the appropriate application of the law determining electric service territory rights or compensation in such matters. For any electric service territory matter between the Parties not governed by this Agreement, the Agreement shall not act as precedent in the determination of compensation, if any be due.

**Article 7: Alternative Dispute Resolution**

7.1 In the event that a dispute arises between the Parties as to the interpretation or performance of this Agreement, then upon written request of either Party, representatives with settlement authority for each Party shall meet in person and confer in good faith to resolve the dispute. If the Parties are unable to resolve the dispute, they shall make every effort to settle the dispute through mediation or other alternative dispute resolution methods. If the Parties are unable to resolve the dispute through these methods, either Party may commence an action in the District Court for the county in which the service territory is located. The Transfer Date is not affected by any dispute or action to determine compensation.

**Article 8: General Terms and Conditions**

8.1 Any notice permitted or required by this Agreement shall be made in writing by letter, electronic mail, personal service, facsimile, or other documentary form and shall be deemed given upon actual receipt by the Party to which such notice is given. The address for notice to each Party is as follows (as may be later changed by a Party by proper notice):

508 South State Street  
Waseca MN 56093

If to the Company:

Manager, Service Policy

1518 Chestnut Avenue N, 1<sup>st</sup> Floor  
Minneapolis MN 55350

8.2 This Agreement will inure to the benefit of the Parties hereto and shall be binding on them and their respective legal representatives, successors, and assigns. Provided, however, neither Party hereto may assign any of its rights herein to any person without the prior written consent of the other Party.

8.3 Each of the Parties acknowledges that the adjustment of electric service territory boundaries provided for herein is unique in that neither Party will have an adequate remedy at law if the other Party fails to perform any of its obligations hereunder. In such event, either Party shall have the right, in addition to any other rights it may have, to petition for and obtain specific performance of this Agreement in the District Court for the county in which the service territory is located.

8.4 This Agreement may be amended only in writing, signed by each of the Parties.

8.5 The Parties agree that they participated equally in, and are jointly responsible for, the drafting of this Agreement. In the event of any dispute, any ambiguity in this Agreement shall not be construed against either Party. Headings are for convenience and are not a part of this Agreement.

8.6 This Agreement may be executed in counterpart copies by the Parties and each counterpart, when taken together with the other, shall be deemed one and the same executed Agreement.

8.7 By executing this Agreement, the Parties acknowledge that they: (a) enter into this Agreement knowingly, voluntarily and freely; (b) have had an opportunity to consult an attorney before signing this Agreement; and (c) have not relied upon any representation or statement not set forth herein.

If you have concerns or would like to address the MPUC on this matter, you may contact them in writing at 121 Seventh Place East, Suite 350, St. Paul, Minnesota 55101. You should reference the docket number provided above in any correspondence. The MPUC will accept comments on this proceeding until July 13, 2018.

If you have any questions, please call David W. Olson II with Xcel Energy at (612) 337-2207 or Carl Sonnenberg with the City of Waseca at (507) 835-9713.

Sincerely,
