

**In the Matter of a Commission Investigation into  
Natural Gas Utilities' Practices, Tariffs and  
Assignment of Cost Responsibility for Installation of  
Excess Flow Valves and Other Similar Gas Safety.**

**Docket No. G999/CI-18-41**

Commissioner Tuma offers the following decision option:

2. Allow utilities to complete the remaining reports required by this docket to be submitted with their annual Gas Service Quality Reports starting this year as opposed to the March 31 date set in the July 31, 2019 order.
