**Re: In the Matter of Application of Minnesota Power for Authority  
To Increase Electric Service Rates in Minnesota  
Docket No. E015/GR-19-442**

Dear Mr. Seuffert:

Minnesota Power (or the “Company”) has reviewed the request made by the Citizens Utility Board (“CUB”) in their August 28, 2020 filing and has found that their request for intervenor compensation in the amount of \$37,821 for its intervention in the Company’s Application to Increase Electric Service Rates in Minnesota to be reasonable. CUB’s request is also in accord with Minnesota Power’s filings and the Minnesota Public Utilities Commission’s August 7, 2020 and June 30, 2020 orders in the above-referenced Docket.

Please contact me at (218) 723-3963 or [dmoeller@allete.com](mailto:dmoeller@allete.com) if you have any questions regarding this filing.

Yours truly,

David R. Moeller
