Dear Mr. Seuffert:

Minnesota Power (or the "Company") respectfully submits this Response Letter in order to provide the additional information requested by the Minnesota Department of Commerce, Division of Energy Resources ("Department") in their January 11, 2023 Response Comments in the above referenced Docket.

In the Department's Response Comments they requested the Company provide the dollar amount in rebates the Company has received since 2016 and if the Company included the rebate amounts as an offset to its costs. Minnesota Power has not received any rebates.
