**Re:** In the Matter of an Investigation into Self-Commitment and  
Self-Scheduling of Large Baseload Generation Facilities  
**Docket No. E999/CI-19-704**  
**REPLY COMMENTS**

Dear Ms. Bergman:

Minnesota Power thanks the Department of Commerce for their review and analysis of this filing, including the following:

- Their support of including the entirety of the Annual Compliance Filings within each utilities' Annual Fuel Forecast True-Up Reports due on March 1, rather than continuing to file the Self-Commitment and Self-Scheduling Annual Compliance filing as stand-alone reports.
- Their support of the proposal to rename the scenarios from "best case/worse case" to "economic/must run."

Please contact me at (218) 591-4870 or [avang@mnpower.com](mailto:avang@mnpower.com) if you have any questions regarding this compliance filing.

Yours truly,

Ana Vang
