You don't often get email from mmleintz@comcast.net. [Learn why this is important](#)

**This message may be from an external email source.**

Do not select links or open attachments unless verified. Report all suspicious emails to Minnesota IT Services Security Operations Center.

The purpose of my email is to call attention to the significant number of times that we have lost power to our residence due to an excessive overgrowth of vegetation that Xcel Energy has refused to address regardless of the number of times the issue has been raised.
