TITLE Sieben New o.

ATTACHMENT No

SUBJECT In the Matter of the Joint Application of Minnesota Power for a Site and Route Permit for the 85-megawatt Boswell Solar Project and Associated 2.45-mile, 230-kilovolt Transmission Line in Itasca County, Minnesota.

Sieben New o: The Permittee in coordination with the DNR, the Itasca County Soil and Water Conservation District, and the Mississippi Headwaters Board, and the Leech Lake Band of Ojibwe’s Division of Resource Management shall develop a plan to replace any trees that are removed for construction of the project by planting new trees in Itasca County near the project area or on the Leech Lake Indian Reservation, and file the plan with the Commission at least 14 days before the pre-construction meeting. All prudent and reasonable costs associated with any tree replanting requirement shall be recoverable under the Renewable Resources Rider.”
