VIA eFILING

Mr. Will Seuffert
Executive Secretary
Minnesota Public Utilities Commission
121 7th Place East, Suite 350
St. Paul, MN 55101-2147

Re: In the Matter of the Application of Otter Tail Power Company for a Site Permit for the up to 66MW Solway Solar Project in Beltrami County, Minnesota

Compliance Filing – Confirmation of Notice, Site Permit Application
MPUC Docket No. E017/GS-24-309

Dear Mr. Seuffert:

In accordance with Minn. Stat. § 216E.03, subd. 4, and Minn. R. 7850.2100, subp. 5, this filing provides documentation that Otter Tail Power Company (Otter Tail) has completed all notices required in connection with the October 11, 2024, filing of Otter Tail's Site Permit Application (Application) for the Solway Solar Project in Beltrami County, Minnesota (Project).

EXHIBIT A is the Notice of Filing Site Permit Application and Project map (Project Notice).

EXHIBIT B (general list) is the certificate of service documenting that, in accordance with Minn. Stat. § 216E.03 subd. 4, and Minn. R. 7850.2100, subp. 2(a), Otter Tail provided notice of the Application filing by providing the Project Notice to the general list maintained by the Minnesota Public Utilities Commission.

EXHIBIT C (local officials) is the affidavit of mailing and certified mail receipts documenting that, in accordance with Minn. Stat. § 216E.03 subd. 4, and Minn. R. 7850.2100, subp. 2(b), Otter Tail provided written notice of the Application filing by providing the Project Notice and a thumb drive containing the Application to each regional development commission, county, incorporated municipality, and town/township in which any part of the Project route is proposed.

EXHIBIT D (property owners) is the affidavit of mailing documenting that, in accordance with Minn. Stat. § 216E.03 subd. 4, and Minn. R. 7850.2100, subp. 2(c), Otter Tail provided written notice of the Application filing by providing the Project Notice to each owner whose property is within or adjacent to the proposed site.

EXHIBIT E (newspaper notice) is the affidavit of publication and tear sheet documenting that, in accordance with Minn. Stat. § 216E.03, subd. 4, and Minn. R. 7850.2100, subp. 4, Otter Tail provided notice of the Application filing by publication in *The Bemidji Pioneer*.

EXHIBIT F (Minnesota tribes) is the affidavit of mailing documenting that Otter Tail provided written notice of the Application filing by providing the Project Notice to each of the federally recognized tribes in Minnesota.

EXHIBIT G (public review) is the cover letter and delivery confirmation documenting that Otter Tail provided copies of the Application (hard copy and jump drive) to the Bemidji Public Library to be available for public review.

Please let me know if you have any questions regarding this filing.

Sincerely,

FREDRIKSON & BYRON, P.A.

**Notice of Otter Tail Power Company's Site Permit Application Filing
with the Minnesota Public Utilities Commission
MPUC Docket No. E017/GS-24-309**

October 11, 2024

To: Persons Interested in the Proposed Construction of an up to 66 megawatt photovoltaic alternating current solar energy generating facility and associated facilities known as the Solway Solar Project in Beltrami County, Minnesota; the Minnesota Public Utilities Commission Energy Facilities General List; Local Officials; Tribes; and Property Owners

Otter Tail Power Company (Otter Tail), an investor-owned electric utility that provides electricity and energy services in Minnesota, North Dakota, and South Dakota, is proposing to construct and operate an up to 66 megawatt photovoltaic alternating current solar energy generating facility and associated facilities known as the Solway Solar Project in Beltrami County, Minnesota (the Solway Solar Project, or the Project).

This notice provides formal notice that, on October 11, 2024, Otter Tail filed an Application for a Site Permit (Application) with the Minnesota Public Utilities Commission (Commission) for the Project (MPUC Docket No. E017/GS-24-309) pursuant to the alternative permitting process contained in Minn. Stat. § 216E.04 and Minn. R. parts 7850.2800 to 7850.3900. This notice also provides information on the Project and the permitting process, as well as information on how to register your name with the Commission on the Project contact list to ensure that you receive future notices.

PROJECT LOCATION AND DESCRIPTION

The Project is located just north of the City of Solway in Lammers Township in Beltrami County, Minnesota. The Project is approximately 487 acres in size, 267 acres of which are currently designated to host Project components and for operation and maintenance of the Project. The Project will interconnect at the Solway Combustion Turbine Generating Station and utilize Otter Tail's existing interconnection rights, through a surplus interconnection, which will have an interconnection limitation of 50 MW. Connecting the Project at this point of interconnection will require an additional transformer and less than 500 feet of overhead transmission line. Otter Tail plans to construct the Project on a schedule that facilitates an in-service date by the end of 2026.

The Project will include: solar modules and tracking racking systems; inverters; an electrical collection system; a Project substation and interconnection facilities; gravel access roads; perimeter fencing and gates; an operations and maintenance building; weather stations; stormwater drainage basins; temporary facilities such as laydown areas, temporary site offices, parking, and improvements for storage and staging of equipment prior to installation as needed.

The accompanying map outlines the location of the Project.

Otter Tail owns 100 percent of the land necessary to construct the Project. Accordingly, Otter Tail's current and future plans do not include the use of eminent domain. If additional property rights are required for the Project, Otter Tail will seek to negotiate an agreement with each affected landowner.

SITE PERMIT PROCESS

A Site Permit from the Commission is required before the Project can be constructed. The Power Plant Siting Act (Minn. Stat. ch. 216E) and Minn. R. parts 7850.1000 to 7850.5600 establish the requirements for submitting and processing a Site Permit application. The statutes and rules also establish notice requirements for various stages of the process. The Application will be considered by the Commission under the alternative permitting process in Minn. Stat. § 216E.04 and Minn. R. parts 7850.2800 to 7850.3900. The Commission has up to six months from the time the application is accepted as complete to process and make a decision on the Site Permit according to Minn. Stat. § 216E.04, subd. 7, and Minn. R. 7850.3900, subp. 1. The Commission may extend this time limit for up to three months for just cause or upon agreement of the applicant.

Within 60 days after the Commission accepts the application as complete, the Commission and the Department of Commerce, Energy Environmental Review and Analysis (EERA) unit will hold a public information and scoping meeting to provide information and seek comments from the public. At this meeting, members of the public may comment on the scope of the environmental assessment and/or propose additional issues for consideration in the environmental assessment that the EERA will prepare. Once the public meeting is scheduled, notice of the meeting will be provided to persons whose names are on the Project contact list and will be published in a legal newspaper of general circulation in the Project area.

After the environmental assessment has been completed, EERA will make the document available for public review and a public hearing will be held on the Application. Any person may speak at the public hearing, present documentary evidence, ask questions of Otter Tail's representatives and EERA staff and submit comments.

Further details regarding upcoming meetings and comment periods on the application will be provided by Otter Tail, EERA, and/or the Commission in the future.

CERTIFICATE OF NEED

A Certificate of Need is not required from the Commission for the Project. The Project is exempt from Certificate of Need requirements under Minn. Stat. § 216B.2422, subd. 5, and Minn. Stat. § 216B.243, subd. 9. Otter Tail will submit a separate filing to the Commission in early November providing additional detail regarding the application of these exemptions.

HOW TO LEARN MORE

For more information about the regulatory process or to have your name included on the Project mailing lists, contact:

Minnesota Public Utilities Commission Staff Analyst

Trevor Culbertson at trevor.culbertson@state.mn.us or (651) 201-2200 or (800) 657-3782
www.mn.gov/puc

Minnesota Department of Commerce Environmental Review Manager

Logan Hicks at logan.m.hicks@state.mn.us or (651) 539-2712 or (800) 657-3710
www.mn.gov/commerce/energyfacilities

There are two options for citizens, landowners, and interested persons to receive Project information:

1. **Sign up for the Project Mailing List.** To sign up to receive notices about Project milestones and opportunities to participate (meetings, comment periods, etc.) email eservice.admin@state.mn.us or call (651) 201-2246 with the docket number (E017/GS-24-309), your name, mailing address and email address. You may request to receive notices by email or U.S. Mail.
2. **Subscribe to the Docket.** To receive email notifications when new documents are filed in the dockets visit: <https://www.edockets.state.mn.us/EFiling>, select *Subscribe to eDockets* and follow the prompts.

Note – subscribing may result in a large number of emails.

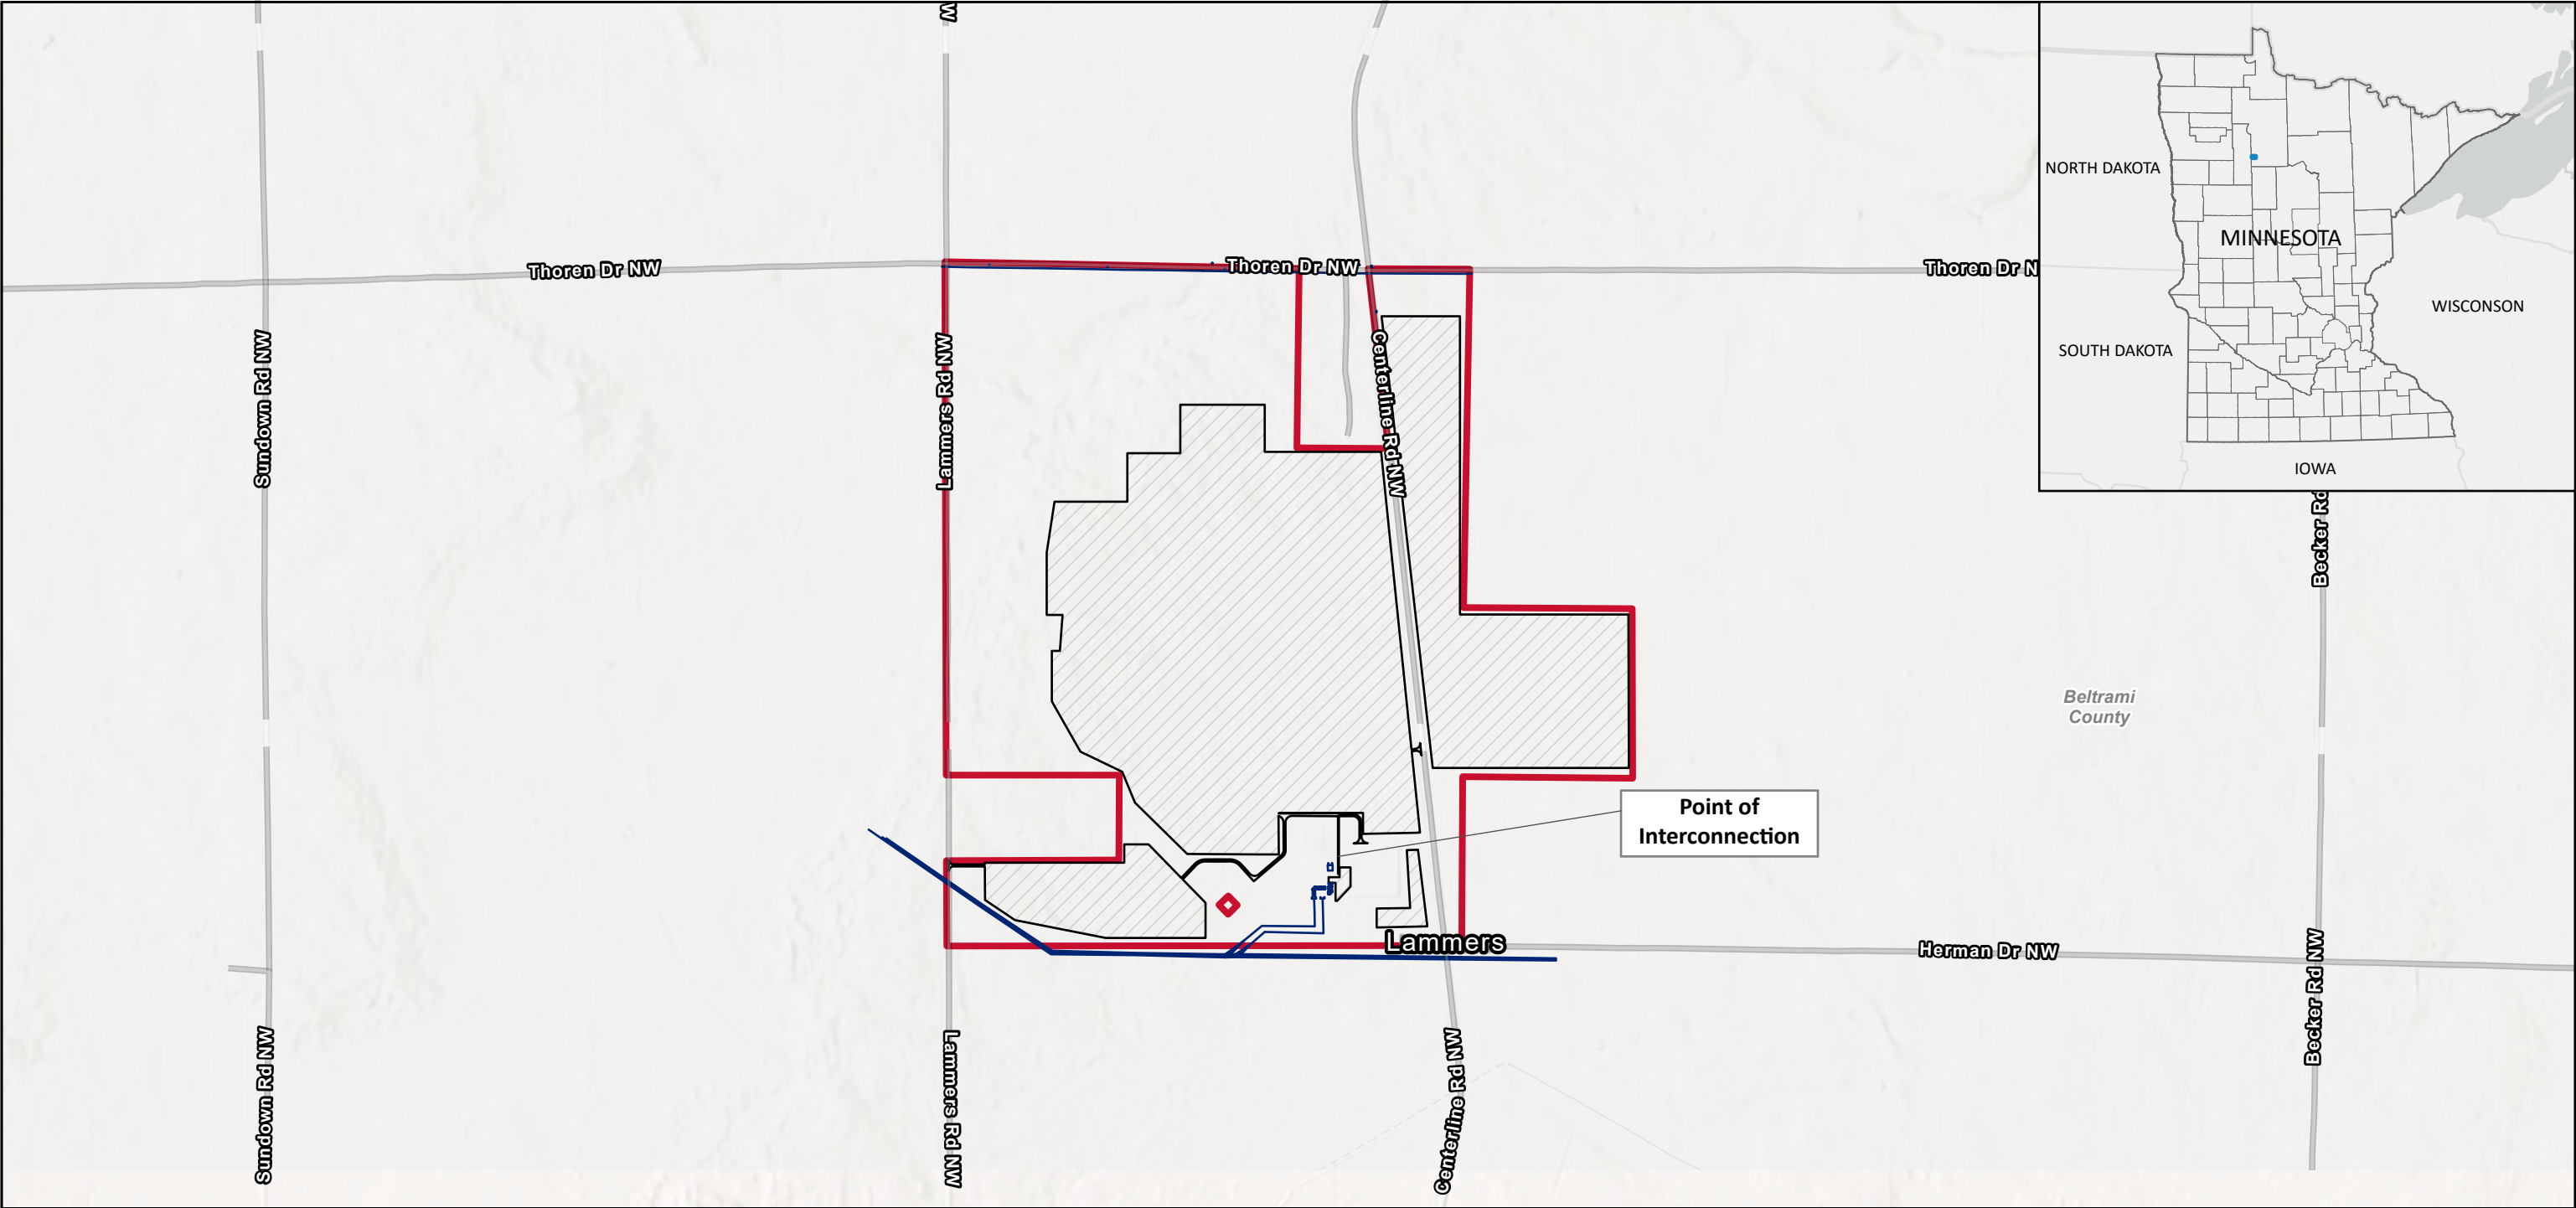

Current information about the Project and Application is available online at Otter Tail's Project website: <https://www.otpc.com/SolwaySolar>.

A copy of the Application is also available for review at the Bemidji Public Library, 509 America Ave. N.W., Bemidji, MN 56601.

Additional information may be obtained by calling Preston Riewer at (218) 739-8582 or by email at priewer@otpc.com.

CERTIFICATE OF SERVICE

Alicia P. LaValla certifies that on the 11th day of October 2024 she e-filed on behalf of Otter Tail Power Company a true and correct copy of the **Project Notice Under 7850.2100 for the Solway Solar Project, and Certificate of Service** with the Minnesota Public Utilities Commission via eDockets (www.edockets.state.mn.us). Said documents were also served upon the persons as designated on the Official Service List and the General Service Lists, as applicable, maintained by the Minnesota Public Utilities Commission and as attached hereto.

Dated this 11th day of October 2024

**Notice of Otter Tail Power Company's Site Permit Application Filing
with the Minnesota Public Utilities Commission
MPUC Docket No. E017/GS-24-309**

October 11, 2024

To: Persons Interested in the Proposed Construction of an up to 66 megawatt photovoltaic alternating current solar energy generating facility and associated facilities known as the Solway Solar Project in Beltrami County, Minnesota; the Minnesota Public Utilities Commission Energy Facilities General List; Local Officials; Tribes; and Property Owners

Otter Tail Power Company (Otter Tail), an investor-owned electric utility that provides electricity and energy services in Minnesota, North Dakota, and South Dakota, is proposing to construct and operate an up to 66 megawatt photovoltaic alternating current solar energy generating facility and associated facilities known as the Solway Solar Project in Beltrami County, Minnesota (the Solway Solar Project, or the Project).

This notice provides formal notice that, on October 11, 2024, Otter Tail filed an Application for a Site Permit (Application) with the Minnesota Public Utilities Commission (Commission) for the Project (MPUC Docket No. E017/GS-24-309) pursuant to the alternative permitting process contained in Minn. Stat. § 216E.04 and Minn. R. parts 7850.2800 to 7850.3900. This notice also provides information on the Project and the permitting process, as well as information on how to register your name with the Commission on the Project contact list to ensure that you receive future notices.

PROJECT LOCATION AND DESCRIPTION

The Project is located just north of the City of Solway in Lammers Township in Beltrami County, Minnesota. The Project is approximately 487 acres in size, 267 acres of which are currently designated to host Project components and for operation and maintenance of the Project. The Project will interconnect at the Solway Combustion Turbine Generating Station and utilize Otter Tail's existing interconnection rights, through a surplus interconnection, which will have an interconnection limitation of 50 MW. Connecting the Project at this point of interconnection will require an additional transformer and less than 500 feet of overhead transmission line. Otter Tail plans to construct the Project on a schedule that facilitates an in-service date by the end of 2026.

The Project will include: solar modules and tracking racking systems; inverters; an electrical collection system; a Project substation and interconnection facilities; gravel access roads; perimeter fencing and gates; an operations and maintenance building; weather stations; stormwater drainage basins; temporary facilities such as laydown areas, temporary site offices, parking, and improvements for storage and staging of equipment prior to installation as needed.

The accompanying map outlines the location of the Project.

PROPERTY ACQUISITION

Otter Tail owns 100 percent of the land necessary to construct the Project. Accordingly, Otter Tail's current and future plans do not include the use of eminent domain. If additional property rights are required for the Project, Otter Tail will seek to negotiate an agreement with each affected landowner.

SITE PERMIT PROCESS

A Site Permit from the Commission is required before the Project can be constructed. The Power Plant Siting Act (Minn. Stat. ch. 216E) and Minn. R. parts 7850.1000 to 7850.5600 establish the requirements for submitting and processing a Site Permit application. The statutes and rules also establish notice requirements for various stages of the process. The Application will be considered by the Commission under the alternative permitting process in Minn. Stat. § 216E.04 and Minn. R. parts 7850.2800 to 7850.3900. The Commission has up to six months from the time the application is accepted as complete to process and make a decision on the Site Permit according to Minn. Stat. § 216E.04, subd. 7, and Minn. R. 7850.3900, subp. 1. The Commission may extend this time limit for up to three months for just cause or upon agreement of the applicant.

Within 60 days after the Commission accepts the application as complete, the Commission and the Department of Commerce, Energy Environmental Review and Analysis (EERA) unit will hold a public information and scoping meeting to provide information and seek comments from the public. At this meeting, members of the public may comment on the scope of the environmental assessment and/or propose additional issues for consideration in the environmental assessment that the EERA will prepare. Once the public meeting is scheduled, notice of the meeting will be provided to persons whose names are on the Project contact list and will be published in a legal newspaper of general circulation in the Project area.

After the environmental assessment has been completed, EERA will make the document available for public review and a public hearing will be held on the Application. Any person may speak at the public hearing, present documentary evidence, ask questions of Otter Tail's representatives and EERA staff and submit comments.

Further details regarding upcoming meetings and comment periods on the application will be provided by Otter Tail, EERA, and/or the Commission in the future.

CERTIFICATE OF NEED

A Certificate of Need is not required from the Commission for the Project. The Project is exempt from Certificate of Need requirements under Minn. Stat. § 216B.2422, subd. 5, and Minn. Stat. § 216B.243, subd. 9. Otter Tail will submit a separate filing to the Commission in early November providing additional detail regarding the application of these exemptions.

HOW TO LEARN MORE

For more information about the regulatory process or to have your name included on the Project mailing lists, contact:

Minnesota Public Utilities Commission Staff Analyst

Trevor Culbertson at trevor.culbertson@state.mn.us or (651) 201-2200 or (800) 657-3782
www.mn.gov/puc

Minnesota Department of Commerce Environmental Review Manager
Logan Hicks at logan.m.hicks@state.mn.us or (651) 539-2712 or (800) 657-3710
www.mn.gov/commerce/energyfacilities

There are two options for citizens, landowners, and interested persons to receive Project information:

1. **Sign up for the Project Mailing List.** To sign up to receive notices about Project milestones and opportunities to participate (meetings, comment periods, etc.) email eservice.admin@state.mn.us or call (651) 201-2246 with the docket number (E017/GS-24-309), your name, mailing address and email address. You may request to receive notices by email or U.S. Mail.

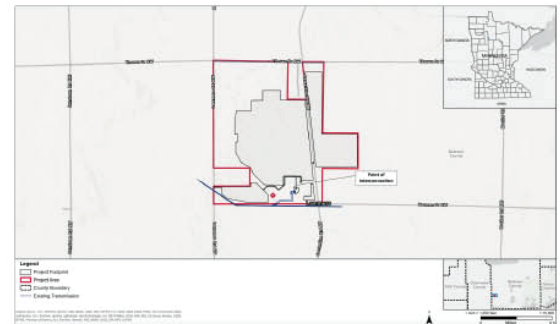

2. **Subscribe to the Docket.** To receive email notifications when new documents are filed in the dockets visit: <https://www.edockets.state.mn.us/EFiling>, select Subscribe to eDockets and follow the prompts.

Note - subscribing may result in a large number of emails.

Current information about the Project and Application is available online at Otter Tail's Project website: <https://www.otpc.com/SolwaySolar>.

A copy of the Application is also available for review at the Bemidji Public Library, 509 America Ave. N.W., Bemidji, MN 56601.

Additional information may be obtained by calling Preston Riewer at (218) 739-8582 or by email at priewer@otpc.com.

Re: In the Matter of the Application of Otter Tail Power Company for a Site Permit for the up to 66 MW Solway Solar Project in Beltrami County, Minnesota

MPUC Docket No. E017/GS-24-309

To Whom it May Concern:

On October 11, 2024, Otter Tail Power Company (Otter Tail) submitted a Site Permit Application (Application) to the Minnesota Public Utilities Commission proposing to construct and operate an up to 66 megawatt photovoltaic alternating current solar energy generating facility and associated facilities known as the Solway Solar Project in Beltrami County, Minnesota.

We write to request that you please make the enclosed public version of the Application (hard copy and jump drive (password for the jump drive is PublicLibrary.1)) available for public review. Electronic copies of the Application, and the full case record, are available to view and download on the Commission's eDocket System at:

<https://efiling.web.commerce.state.mn.us/edockets/searchDocuments.do?method=showeDocketsSearch&showEdocket=true&userType=public#>

When requested, enter the docket number year (24) and number (309), and select Search.

Thank you for your assistance in providing this service. Should you have any questions of Otter Tail, please reach out to Preston Riewer at (218) 739-8582 or by email at priewer@otpc.com.

Sincerely,

FREDRIKSON & BYRON, P.A.
