Greetings,

The Minnesota Public Utilities Commission (Commission) has issued the Environmental Assessment (EA) for the proposed Castle Rock Solar Project in Dakota County, Minnesota.

- The EA is available on the Commission Energy Infrastructure Permitting (EIP) page: <https://puc.eip.mn.gov/>
  - Select Solar and under the Castle Rock Solar Project, the EA is saved as a key document.
- The EA is also available through this link on eDockets: [20210-223781-01](https://puc.eip.mn.gov/20210-223781-01) (through -9).
- If you would like a print copy of the EA, please contact me.

Public hearings regarding the project will be held on October 22 and October 23. The notice for the hearings is attached. Hearing comments will be accepted until **November 3**. Additional information can be found through the Minnesota Public Utilities Commission's website: <https://efiling.web.commerce.state.mn.us/>, select eDockets, enter the year (24) and the corresponding docket number (267), and then select Search.

Please let me know if you have any questions.

Best regards,

Lauren
