Docket No. P-6939/NA-14-959

Dear Dr. Haar:

On November 6, 2014, CenturyLink Public Communications, Inc. dba CenturyLink ("CPCI") filed a petition in the above-referenced docket.

Pursuant to discussions with the Department of Commerce, it has come to CPCI's attention that its application should be modified to request facilities-based certification. Therefore, enclosed for filing is revised application page 1 changing the type of certification to facilities-based.

If you should have any questions in this regard, please feel free to contact me.

Very truly yours,

/s/ Jason D. Topp
