

Staff Alternative Decision Option

Docket Nos. E999/CI-07-1199 and E999/DI-22-236

Staff Alternative 14: Direct Staff to open a Comment Period in Docket No. E999/CI-14-643 to consider a process for:

- a) adoption and application of the draft cost of greenhouse gas emissions valuations presented in the United States Environmental Protection Agency's EPA External Review Draft of Report on the Social Cost of Greenhouse Gases released in September 2022, and its successors, [as required by Minn. Stat. s 216B.2422, subd. 3(b)]; and
- b) adoption of the working group estimates released by the federal Interagency Working Group on the Social Cost of Greenhouse Gases or its successors, [as required by Minn. Stat. s 216B.2422, subd.3(c)].
