

1 | **Q. Did MP reply to your first recommendation?**

2 | A. Yes. MP agreed with my recommendation. MP Ex. ___ at 8-9 (McMillan Rebuttal).

3

4 | **Q. What is your conclusion from this response?**

5 | A. I continue to recommend that the Commission require MP to use the Commission's
6 | externality values in all certificates of need and put MP on notice that failure to do so
7 | would result in CN filings being found to be incomplete in the future.
