Resources Corporation for 2022
Docket No. G011/M-23-80

Reply Comments of Minnesota Energy Resources Corporation

Dear Mr. Wolf:

On May 1, 2023, Minnesota Energy Resources Corporation ("MERC" or the "Company") filed its 2022 Gas Service Quality Report in the above-referenced docket. On September 28, 2023, the Minnesota Department of Commerce, Division of Energy Resources (the "Department") submitted comments concluding, based on its review, that MERC complied with all applicable service quality reporting requirements for 2022 and recommending that the Commission accept MERC's 2022 Service Quality Report.

MERC thanks the Department for its review and recommendation. Based on the Comments submitted, no open issues remain with respect to MERC's 2022 Gas Service Quality Report. MERC respectfully requests that the Commission adopt the Department's recommendation and accept the Company's 2022 Report.

Please contact me at (414) 221-4208 if you have any questions regarding the information in this filing. Thank you for your attention to this matter.

Sincerely,
