Statement Regarding Designation and Excision of Trade Secret Information

Pursuant to Minn. Stat. § 13.37 and Minn. Rule 7829.0500, Connexus Energy (Connexus) has designated a portion of its Renewable Energy Certificate (REC) Retirement Report for Renewable Energy Objectives and Green Pricing Programs as containing Trade Secret Data. Connexus has used brackets and yellow highlighting to indicate Trade Secret Data.

The designated information has independent economic value from not being generally known to or accessible by the public, competitors, and suppliers, who might otherwise gain a commercial advantage over Connexus if the information were made public. Connexus engages in the competitive REC market. Accordingly, Connexus considers certain aspects of any transactions in that market, such as pricing, as having economic value from not being generally known to or readily ascertainable by competitors, as well as potential suppliers and buyers, who might derive economic value from its disclosure. Therefore, Connexus has excised this information from any applicable public document in the report.
