Dear Mr. Wolf:

Due to an inadvertent omission, Clean Energy Organizations' ("CEOs")  
Comments e-filed on September 22, 2017 neglected to identify that Union of  
Concerned Scientists joined with CEOs and were a party to that filing. The  
signature block of CEOs' Comments should have included:

Steve Clemmer  
Director of Energy Research & Analysis  
Climate & Energy Program  
Union of Concerned Scientists  
2 Brattle Square  
Cambridge, MA 02138-3780  
(207) 847-3258

Sincerely,

/s/Leigh Currie
