In the Matter of Interstate Power and Light Company's Petition for Approval of a Local Balancing Authority Agreement with its Affiliate, Franklin County Wind, LLC

In the Matter of Interstate Power and Light Company's Transfer of Land Easements, Wind Rights, and Rights to Purchase Wind Turbines, to its Affiliate, Franklin County Wind, LLC

PROCEDURAL HISTORY

On April 16, 2013, the Commission issued its Order Requiring Further Filings in these cases.

On May 6, 2013, Interstate Power and Light Company filed a Petition for Reconsideration and Rehearing.

On May 16, 2013, the Minnesota Department of Commerce Division of Energy Resources and the Office of the Attorney General – Antitrust and Utilities Division filed comments opposing the petition.

On June 20, 2013, the petition came before the Commission.

FINDINGS AND CONCLUSIONS

The Commission has reviewed the entire record and the arguments of all parties.

Based upon this review, the Commission finds that the petition does not raise new issues, does not point to new and relevant evidence, does not expose errors or ambiguities in the April 16, 2013, order, and does not otherwise persuade the Commission that it should rethink the decisions set forth in the order. The Commission concludes that those decisions are consistent with the facts, the law, and the public interest, and will therefore deny the petition for reconsideration.

The Commission will so order.

ORDER

1. The petition for reconsideration and rehearing is denied.
2. Within 60 days of the date of this order, Interstate Power and Light Company shall make the filings required by the April 16, 2013, Order Requiring Further Filings.
3. This Order shall become effective immediately.

BY ORDER OF THE COMMISSION

Executive Secretary
