RE: Petition for Change in Contract Demand Entitlement
Docket No. G022/M-18-232

Dear Mr. Wolf:

In its Petition for Change in Contract Demand Entitlement for 2018-2019 Heating Season filed in this docket, Greater Minnesota Gas, Inc. ("GMG") indicated that if any adjustment was needed to its demand request, it would take appropriate action to request permission for the same as the heating season approached.

In its Petition, GMG projected serving 8,345 firm customers during the 2018-2019 heating season; and, it requested approval of a 7.6% reserve margin in the event customer growth exceeded expectations or use per customer deviated from expectations. GMG now expects that its customer count will be 1% to 2% above its original projection; however, GMG believes that its originally requested reserve margin adequately addresses the difference. Hence, GMG does not plan to amend its Petition at this time.
