RE: 2023 ANNUAL REPORT – ADDITIONAL CORRECTION
COMMISSION INVESTIGATION INTO SELF-COMMITMENT AND SELF-
SCHEDULING OF LARGE BASELOAD GENERATION FACILITIES
DOCKET NO. E999/CI-19-704

Dear Mr. Seuffert:

Northern States Power Company, doing business as Xcel Energy, submits this additional correction to the Company's 2023 Annual Report in the above-referenced docket, initially filed on March 1, 2024. The Department of Commerce, Division of Energy Resources, brought to our attention that Attachment F, page 27 of 27 providing monthly Company-owned wind curtailment data did not include wind facility production by month as required. We apologize for this error and attach the corrected version of Attachment F in its entirety to this filing.

Please note that portions of Attachment F are marked as "Not Public." Certain data is considered to be "not public data" pursuant to Minn. Stat. §13.02, Subd. 9, and is "Trade Secret" information pursuant to Minn. Stat. §13.37, subd. 1(b) as this data derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons who can obtain economic value from its disclosure or use.

We have electronically filed this document with the Minnesota Public Utilities Commission, and copies have been served on the parties on the attached service list. Please contact Rebecca Eilers at rebecca.d.eilers@xcelenergy.com or 612-330-5570 if you have any questions regarding this filing.

SINCERELY,

/s/

REBECCA EILERS
REGULATORY MANAGER
