RE: Comments of the Minnesota Department of Commerce
In the Matter of the Revocation of Infotelecom, LLC's Certificate of Authority
Docket No. P6522/RV-14-442

Dear Dr. Haar:

The Department of Commerce (Department) has reviewed and analyzed the current filing. Attached is the Department's checklist for processing revocation dockets. The checklist reflects the Department's analysis of the issues relating to the requirements of Minnesota law and the Commission's rules to support the revocation.

Infotelecom, LLC (Carrier) originally received conditional local exchange authority in Docket No. P6522/NA-06-36 on February 10, 2006.

The docket was opened on: May 29, 2014

The carrier's last known address:

Alex Gertsburg, Esq.
Infotelecom, LLC
75 Erieview Plz., Fl. 4,
Cleveland, OH 44114-1839

Minnesota Statutes §237.16, subd. 5 states in part, "any certificate of authority may, after notice of hearing and a hearing, be revoked or temporarily suspended, in whole or in part, for: ...failure to meet the terms and conditions of its certificate..."

Recommended Action: Revocation of Infotelecom, LLC's certificate of authority

Conditions of Revocation: None.

Note: Qwest Corporation d/b/a CenturyLink QC should be placed on the service list of this docket.

The Department intends to petition the Commission to require that all carriers discontinue their services to the carrier pursuant to Minn. Stat. 237.121 (a) (6). For administrative efficiency, this petition will be filed at a future time with other carriers that have recently relinquished their authority or have recently had their authority revoked. A separate docket number will be assigned to that petition. Affected carriers should be placed on inactive status on the Commission's Master Contact List pending final discontinuance.

Sincerely,

/s/ BRUCE L. LINSCHIED

Company: Infotelecom, LLC
Docket No.: P6522/RV-14-442

Checklist for Processing standard Revocations of Certificates of Authority

I. TYPE OF CERTIFICATION

- A. Local Exchange Certificate of Authority (Docket No. P6522/RV-06-34)
- B. Long Distance Certificate of Authority (Docket No.)
- C. Local Niche Certificate of Authority (Docket No. _____)

II. REVOCATION PROCESSES THAT APPLY ALL CERTIFICATES

- A. Carrier's last known address is no longer valid. The Carrier's regulatory contact referred the Department's inquiry to Broadvox-CLEC, LLC (Broadvox). Carrier filed for bankruptcy in 2011, and its assets (none of which were in Minnesota) were transferred to Broadvox. On June 10, 2014, Broadvox confirmed that Carrier has no Minnesota operations. Carrier's new authority filing in Docket No. 06-34 remains open, and Carrier has never reported Minnesota operating revenues.
- B. Carrier's last known telephone numbers are no longer in service. See II.A.
- C. Carrier cannot be reached electronically (electronic mail or internet). See II.A.
- D. Carrier filed its last annual report in 2013. The Department's eAssessment database indicates that Carrier had zero revenues in 2013.
- E. The Minnesota Secretary of State's records show that the carrier no longer holds a certificate to do business in Minnesota. A search of the Minnesota Secretary of State's website indicates no results indicating that the Carrier is not registered in Minnesota.
- F. The Commission's Consumer Affairs Office (CAO) complaint records do not indicate that the carrier continues to provide service in Minnesota. The Commission's Consumer Affairs Office confirms that no complaints have been filed against the Carrier.
- G. Any assessments or fees unpaid to the Department, Commission, Metropolitan 911 Board, or Department of Public Safety remain the responsibility of the carrier. The Department's accounting staff reports that the Carrier has no unpaid assessments.
 - Company is current with filing annual reports. The Department's eAssessment database indicates that Carrier had zero revenues in 2013.
 - Intrastate jurisdictional revenue would be needed to enable assessment for the following past years: Carrier has never reported jurisdictional revenue above zero.
 - Annual reports for past years should be pursued:
 - Yes
 - No

Intrastate jurisdictional revenue will need to be filed by May 1 of the following year if company had intrastate revenues in current year, and regulatory assessment should be pursued:

Yes No Carrier did not commence operations in Minnesota.

H. The docket history of this company has been checked to verify that the authority of the company has not been addressed within an acquisition docket. If the revocation was addressed within an acquisition docket, a separate revocation docket may not be required. Carrier filed for bankruptcy in 2011, and its assets were transferred to Broadvox; however, there is no record of a docket opened to address the transfer of assets. On June 25, 2014, Broadvox confirmed that Infotelecom never did anything with its certificate of authority in Minnesota, and no approval for the transfer of control was pursued since there were no assets or operations to transfer. The revocation of Carrier's authority serves to end its Minnesota presence.

I. Other: None.

III. REVOCATION PROCESSES THAT APPLY ONLY TO LOCAL CERTIFICATES

A. The carrier's 911 plan, filed in Docket No. 10-697, should be cancelled. If the carrier has filed a 911 plan and has operational or conditional authority to provide local services, the Minnesota Department of Public Safety, and, if applicable, the Metropolitan 911 Board, will be notified of this recommendation by being placed on the service list for this docket.

B. Any Incumbent Local Exchange Carriers (ILECs) that have interconnection agreements with the carrier should be notified that the carrier no longer has authority to provide telecommunications services in Minnesota and services should no longer be offered under its interconnection agreement(s). The parties to those interconnection agreements have been notified of this recommendation by being placed on the service list in this docket. The carrier's interconnection agreement(s) were approved in Docket Nos. 10-178 with Qwest Corporation dba CenturyLink QC.

C. If the carrier has either filed a 911 plan or has been an operational provider of local services, the 911 system integrator, if known, will be notified of the revocation of the carrier's certificate of authority by being placed on the service list for this docket. Qwest is the 911 system integrator for the metropolitan area. See III.A.

D. For facilities-based carriers, the North American Numbering Plan Administrator (NANPA) should be notified of the relinquishment of the carrier's certificate of authority so that any NXX blocks assigned to the carrier may be returned to NANPA.

NANPA has been added to the service list for this docket. _____

NANPA has not been added to the service list for this docket. Explain: Carrier did not commence operations in Minnesota.

Carrier did not have facilities-based authority. _____

- E. For competitive local exchange carriers, the Universal Service Administrative Company (USAC) has been notified of the revocation, so they can discontinue paying funds to the affected carrier.
- USAC has been added to the service list for this docket. ¹ _____
- USAC has not been added to the service list for this docket. Explain: Carrier did not commence operations in Minnesota.
- F. Other issues (specify): None.

IV. RECOMMENDATION OF THE DEPARTMENT

- A. Revoke the carrier's authority. Note: Qwest Corporation dba CenturyLink QC should be placed on the service list of this docket.
- B. Revoke the carrier's authority subject to the following:
- C. Inactivate carrier from the Commission's Master Contact List until a Disconnection Order is issued.

¹ When handling relinquishments or revocation dockets, the Department analyst should check to see whether the affected carrier is on the list of high cost low income companies by going to www.usac.org and clicking the blue tab entitled "high cost." Next click on "disbursement data search" under "high cost tools" in the left hand column and type "MN" into the box marked "State." The address of this page is <http://www.usac.org/hc/tools/disbursements/default.aspx>. Check the list of low income companies for all names that the affected carrier has ever used. If the affected carrier is on the USAC list, then send the Department comments to Karen at USAC. Otherwise, send the Department comments to Legal at USAC.
