In the Matter of the Petition of Nexus
Communications, Inc. for Relinquishment
of Eligible Telecommunications Status

Docket No.

PETITION

Nexus Communications, Inc. (“Nexus”) for its Petition, pursuant to 47 U.S.C. § 214(e)(4) and Minn. R. part 7812.1400, subp. 14, for relinquishment of its designation as an Eligible Telecommunications Carrier (“ETC”), states as follows:

1. Nexus is an Ohio corporation based in Columbus, Ohio, and is a reseller of Commercial Mobile Radio Services (“CMRS”).
2. By an Order dated May 13, 2013, the Minnesota Public Utilities Commission (“Commission”) granted Nexus conditional designation as an ETC for the limited purpose of providing wireless telephone service to Lifetime-qualified customers in area served by Qwest Minnesota.
3. By correspondence dated June 12, 2013, Nexus advised the Commission that it had fulfilled all of the conditions, set out in the Commission’s May 13, 2013 Order.
4. Nexus has no wireless Lifeline customers in Minnesota and has made the determination that the cost and burden associated with requirements applicable to an ETC outweigh the benefit of continuing to be designated an ETC. Accordingly, Nexus wishes to relinquish its ETC designation.

5. 47 U.S.C. § 214(e)(4) states, in pertinent part:

A State commission [...] shall permit an eligible telecommunications carrier to relinquish its designation as such a carrier in any area served by more than one eligible telecommunications carrier. An eligible telecommunications carrier that seeks to relinquish its eligible telecommunications carrier designation for an area served by more than one eligible telecommunications carrier shall give advance notice to the State commission [...] of such relinquishment. Prior to permitting a telecommunications carrier designated as an eligible telecommunications carrier to cease providing universal service in an area served by more than one eligible telecommunications carrier, the State commission [...] shall require the remaining eligible telecommunications carrier or carriers to ensure that all customers served by the relinquishing carrier will continue to be served, and shall require sufficient notice to permit the purchase or construction of adequate facilities by any remaining eligible telecommunication carrier.

Id. (emphasis added); *see also* 47 C.F.R. § 54.205.

6. The Commission's rules governing ETC designation similarly provide as follows:

Relinquishment of universal service. A local service provider may relinquish its ETC designation and accompanying universal service obligations as provided in items A to C.

- A. A local service provider seeking to relinquish its ETC designation shall file a petition with the commission, specifying the service area for which it seeks to relinquish its designation, its proposed timetable for relinquishing its designation, and the identity of the other ETCs serving the service area. The petition to relinquish must be served on the department, the OAG-RUD, and all other local service providers serving the area for which the petitioner seeks to relinquish its ETC designation.
- B. The commission shall permit a local service provider to relinquish its ETC designation if at least one other ETC serves the area for which the relinquishment is sought.
- C. The petitioning ETC shall continue to meet its ETC obligations for the entire area for which it seeks to relinquish those obligations until the date specified in the commission's order approving the relinquishment. The commission shall specify the date upon which the local service provider may discontinue service based on the ability of other ETCs to serve the relinquishing provider's customers as provided in section 102(a) of the act.

Minn. R. 7812.1400, subp. 14.

7. There are numerous carriers, including numerous wireless carriers, that have been designated as ETCs that offer Lifeline service in the area served by Qwest. Wireless ETCs on the Commissioner's website include: Access Wireless, American Assistance, Assurance Wireless, Blue Jay Wireless, Budget Mobile, EnTouch Wireless, Life Wireless, QLink Wireless, SafeLink Wireless, StandUp Wireless, Tag Mobile, Tempo Telecom, and TerraCom Wireless.

8. Lifeline-eligible customers in the area served by Nexus have many other service provider options available to them.

9. Because Nexus currently has no Lifeline customers, this Petition presents no issues regarding the transition of Nexus's customer base to a new service provider.

10. Nexus's relinquishment of its ETC designation presents no risk of harm to the public interest.

11. In partial fulfillment of the conditions established by the Commission in designating Nexus as an ETC, Nexus filed, as an informational tariff, Nexus Communications, Inc.'s Minnesota Public Utilities Commission Tariff No. 1, which described Nexus's Lifeline service. Concurrent with the relinquishment of its ETC designation, Nexus seeks to cancel its informational tariff.

12. Nexus requests that its relinquishment of its ETC designation and cancellation of its informational tariff take effect on the earliest practicable date.

13. Nexus is serving this Petition on the Department of Commerce, Department of Public Safety, OAG-RUD, and all other local service providers serving Nexus's designated service area.
