**Subject:** RE: [External] Lake Charlotte Solar - Meteorological Stations

Hello Jessica,

We expect there to be five met stations for Lake Charlotte.

Hi Jessica,

Apologies I was out for a few days. I've reached out to our meteorological team for an estimate of permanent met stations for the project. I'll get you an answer asap.

Thank you,  
Marta

Good afternoon Marta,

I am wrapping up my final draft of the Lake Charlotte Solar EA for release next week. I noted in the joint site permit application; it doesn't list the amount of meteorological stations planned for the project. Do you have an estimate that I would be able to use in the EA for meteorological stations?

Thank you,  
Jessica

Jessica Livingston
