---

Hello Michelle & Hanna –

I've attached the Company's Decisions Options Matrix for the hosting capacity docket (E002/M-19-685). Also, while not captured in the Decisions Options Matrix, we thought it might be helpful to provide our positions for the revised decisions options filings. They can be found below. Please let me know if you have any questions.

Thank you,  
Amber

- Xcel Energy revised DO 4 – support preferred.
- Xcel Energy revised DO 9 – support preferred.
- Xcel Energy revised DO 24 – support preferred.
- Xcel Energy revised DO 31 – support preferred.
- IREC revised DO 16a – oppose.
- IREC revised DO 16b – oppose.
- IREC revised DO 16c – oppose.
- IREC revised DO 5 – oppose.
- IREC revised DO (unnumbered at bottom p. 3 of its June 8 filing) – oppose.
