Re: Update on Plum Creek Wind Farm's Upstream Ownership
MPUC Docket No.: IP-6997/WS-18-700

Dear Mr. Seuffert:

Pursuant to Section 14 of Plum Creek Wind Farm's ("Plum Creek") permit issued by the Minnesota Public Utilities Commission (the "Commission") on May 18, 2023, Docket No. IP-6997/WS-18-700, this notice is submitted to inform the Commission of a change in ownership of Plum Creek's owner.

On May 30, 2025, National Grid Renewables, LLC was acquired by Brookfield Asset Management and its institutional partners. As a result of that acquisition, National Grid Renewables' company name changed to Geronimo Power, LLC ("Geronimo"). Geronimo, formerly known as National Grid Renewables, remains the owner of Plum Creek. Accordingly, the acquisition constituted a change in the majority interest of the owners of Plum Creek. This transaction is an important step in delivering National Grid's focus on networks and streamline its business.

Please let me know if the Commission requires any additional information.

Sincerely,

FREDRIKSON & BYRON, P.A.
