      Re: Request to Discontinue Telecommunications Service

Dear. Mr. Wolf,

This letter serves as Zayo Group, LLC's ("Zayo") request to the Minnesota Public Utilities Commission ("Commission"), pursuant to MN Statute 237.74 Subdiv. 9, for permission to discontinue telecommunications service that Zayo provides to its customer, Dunnell Telephone Company ("Dunnell").

Dunnell is seriously delinquent in its payment to Zayo for Services rendered, and has not responded to Zayo's multiple demands for payment due, other than rejecting Zayo's payment demands. Zayo does not believe that public convenience requires that Zayo continue to provide Service to Dunnell, as Dunnell can obtain telecommunications service from another carrier. Zayo's continuing to provide service without payment from Dunnell is commercially detrimental to Zayo.

Zayo appreciates the Commission's review of this request. Please let me know if you need further information from Zayo for your review. My direct contact information is 303-414-5213 or Elisabeth.Rolander@zayo.com.

           Sincerely,

           Elisabeth Rolander
