

REVISION TO ATTACHMENT TO BRIEFING PAPERS

March 9, 2023

Docket Nos. 20-763; 20-764; 20-765

1. Section 8.3 of the Draft Site Permit attached to the Briefing Papers should read as follows (as recommended by the ALJ):

8.3 Site Plan

At least 30 days prior to the pre-construction meeting, the Permittee shall file with the Commission, and provide the Department of Commerce, and the County(s) where the Project is located with a site plan that includes specifications and drawings for site preparation and grading; specifications and locations of the solar energy generating system and associated facilities; and procedures for cleanup and restoration. The documentation shall include maps depicting the Project Boundary, solar energy generating system and associated facilities layout in relation to that approved by this permit.

The Permittee may not commence construction until the Commission has notified the Permittee in writing that it has completed its review of the documents and determined that the planned construction is consistent with this permit. If the Permittee intends to make any significant changes to its site plan or the specifications and drawings after submission to the Commission, the Permittee shall notify the Commission at least five days before implementing the changes. No changes shall be made that would be in violation of any of the terms of this permit.

2. Section 4.1 (Permit Distribution) of the Draft Site Permit attached to the Briefing Papers should include the following sentence at the end of the second paragraph:

The Permittee shall file with the Commission an affidavit of its permit and complaint procedures distribution within 30 days of issuance of this permit.

3. Section 5.5 (Visual Screening Plan) the final paragraph of the Draft Site Permit attached to the Briefing Papers is deleted:

~~The Permittee shall file documentation of coordination between landowners within 500 feet of the site boundary and Dodge County Office of Environmental Services at least 14 days prior to the pre-construction meeting with its VMP submittal. The Permittee shall provide a copy of the Visual Screening Plan to all landowners within 500 feet of the site boundary and Dodge County Environmental Services and shall file with the Commission an affidavit of its distribution of the Visual Screening Plan to landowners within 500 feet of the site boundary and Dodge County Environmental Services at least 14 days prior to the pre-construction meeting with its VMP submittal. The location of trees and shrubs included in the Screening Plan shall be included in the Site Plan filed under Section 8.3.~~
