Re: In the Matter of Xcel Energy's Renewable Development Fund (RDF) Annual
Report, PUC Docket Number: E-002/M-17-712

Dear Mr. Wolfe:

Attached is a Resolution recently approved by the St. Anthony Falls Heritage Board regarding the proposed Crown Hydroelectric project.

The Board was created by the Minnesota Legislature in 1988 and its mission is to preserve and interpret the historic features of the Minneapolis Central Riverfront.

Thank you for the Commission's consideration of this input.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Stephen Elliott". The signature is fluid and cursive, with a prominent flourish at the end.

D. Stephen Elliott, Chair
St. Anthony Falls Heritage Board
