- Approve MERC's Design-Day analysis for the Northern Natural Gas ("NNG") PGA area.

On January 29, 2025, the Department filed Supplemental Comments in the above-referenced dockets recommending that the Commission:

- Accept MERC's proposed level of demand entitlement for the Consolidated PGA area;
- Accept MERC's proposed level of demand entitlement for the NNG PGA area;
- Allow MERC to recover associated demand costs for the Consolidated PGA area through the monthly PGA effective November 1, 2024; and
- Allow MERC to recover associated demand costs for the NNG PGA area through the monthly PGA effective November 1, 2024.

MERC thanks the Department for its review and analysis, and agrees with the Department's recommendations as filed in their October 3, 2024 Comments and January 29, 2025 Supplemental Comments.
