Mr. Will Seuffert Executive Secretary Minnesota Public Utilities Commission 121 7th Place East, Suite 350 St. Paul, MN 55101

RE: RENEWABLE ENERGY OBLIGATION (REO)-RENEWABLE ENERGY STANDARD (RES) AND SOLAR ENERGY STANDARD (SES) COMPLIANCE REPORT - SUPPLEMENT

RENEWABLE ENERGY CERTIFICATE RETIREMENT AND SOLAR ENERGY STANDARD REPORTING FOR COMPLIANCE YEAR 2022 DOCKET NO. E999/PR-24-12

GREEN PRICING VERIFICATION FILING PROCESS DOCKET NO. E999/PR-02-1240

Dear Mr. Seuffert:

Northern States Power Company, doing business as Xcel Energy, submits this supplemental filing in the above-referenced dockets to verify Renewable Energy Credit (REC) retirement for the Windsource program for calendar year 2023.

We noted in our May 31, 2024 compliance filing in these dockets that due to the transition from the Company's Windsource program to the Renewable Connect Flex program, the reporting and purchasing of RECs was delayed. We also committed to submitting a supplemental filing confirming the REC retirements and specific details of the Windsource program. We can now confirm that over 400,000 RECs were retired for the Windsource program prior to July 1. There was a program adjustment of approximately 92,000 RECS to bring the total Windsource program to approximately 498,000. In addition, the Company has completed the purchase of 299,106 RECs for our Windsource program. We provide supplements to Attachment A.5 and Attachment C to reflect the final Windsource program REC retirement.

We have electronically filed this document with the Minnesota Public Utilities Commission, and copies have been served on the parties on the attached service lists. Please contact me at rebecca.d.eilers@xcelenergy.com or 612-330-5570, or Stephanie Mayers at stephanie.m.mayers@xcelenergy.com or (612) 750-4938 if you have any questions regarding this filing.

Sincerely,

/s/

REBECCA EILERS
MANAGER, REGULATORY AFFAIRS
