RE: *In the Matter of the Application for a Certificate of Need for the Line 67 Station Upgrade Project, Phase 2, MPUC Docket No. PL-9/CN-13-153; OAH Docket No. 8-2500-30952*

Dear Dr. Haar:

Attached for electronic filing is a Revised version of Section 7853.0520 of Enbridge Energy, Limited Partnership's Application for a Certificate of Need under the above-captioned docket. This section was inadvertently filed with an overly broad designation of trade secret material. This revised version, which has been e-filed in both public and trade secret versions, corrects that error.

This filing consists of the following two parts:

Document	Number of Public Volumes	Number of Trade Secret Volumes	Part
Cover Letter and affidavit of service (this document)	1	-	1
REVISED Section 7853.0520	1	1	2

Also attached is an affidavit of service. Thank you for your time and attention to this matter, and please do not hesitate to contact me with any questions.

Very truly yours,

/s/ John R. Gasele
