

Revised Decision Option for Docket E999/CI-04-1616

Decision Option 5.A.:

Direct utilities to disclose in their annual REC retirement reports whether they have retired any RECs imported from the Michigan Renewable Energy Certification System, flagging any imported biomass or hydroelectric RECs. (*Staff note:* Annual REC retirement reports were required by the Commission's December 3, 2008 Order in Dockets E999/CI-03-869 and E999/CI-04-1616, in Ordering Paragraph 6.)
