VIA E-FILING

Will Seuffert
Executive Secretary
Minnesota Public Utilities Commission
121 7th Place East, Suite 350
St. Paul, MN 55101-2147

Re: In the Matter of Minnesota Power's Proposal for a Commercial and
Multiunit Residential Electric-Vehicle Infrastructure Pilot Program
Docket No. E015/M-23-258

Dear Mr. Seuffert:

Minnesota Power hereby presents its preferred decision options in the above matter:

Minnesota Power Supports: 1, DOC Alt 3, 5, 6, 11, 12, 14, 17, 18, 20, 21, 23, 24, 30

Minnesota Power Opposes: 2, 3, 4, 8, 19, 22, 25, 26, 27, 28, 29, 33

Additionally, on p.13 of Briefing Papers, Staff notes that "In response to the OAG's incentive stepdown recommendation, the Company summarized the OAG's position but did not respond with a position to the recommendation." The Company does support the OAG's recommendation [DO 12], and regrets this omission.

Please contact me at (218) 355-3178 jmccullough@mnpower.com with any questions related to this matter.

Respectfully submitted,

Jess McCullough
Public Policy Advisor
