E) have been designated **Trade Secret Information**. Walleye Wind has designated this information as Trade Secret because it contains sensitive and non-public environmental and cultural information, including information regarding species occurrences. This information is properly designated by Walleye Wind as Trade Secret because it: (1) is being supplied by Walleye Wind; (2) is the subject of reasonable efforts by Walleye Wind and certain state agencies to maintain its secrecy; and (3) derives independent economic and environmental value, actual or potential, from not being generally known to or accessible by the public. Walleye Wind has identified the Trade Secret and other Non-Public Information in the Response pursuant to Minn. Rule 7829.0500 and has included a Public and Non-Public Version of each Appendix.

Thank you for your attention to this Filing. Please do not hesitate to contact me with any questions or concerns.

Respectfully Submitted,

Stinson LLP
