Re: In the Matter of Minnesota Power's
2024 Remaining Life Depreciation Petition
Docket No. E015/D-24-324
RESPONSE COMMENTS

Dear Mr. Seuffert:

Minnesota Power (or the "Company") submits to the Minnesota Public Utilities Commission these Response Comments following the submittal of Final Recommendations by the Department of Commerce, Division of Energy Resources ("Department") on June 17, 2025, in the above-referenced Docket. Minnesota Power appreciates the thorough review of the Company's Petition and agrees with the Department's recommendations. The Company looks forward to a hearing on this matter in the near future and would support utilizing the consent calendar process for this non-contentious Docket.

Please contact me at lhoyum@mnpower.com with any questions related to this matter.

Yours truly,

Lori Hoyum
