RE: Plummer Solar Project – Environmental Assessment

Dear Sam Lobby,

Thank you for the opportunity to review and comment on the Environmental Assessment (EA) for the Plummer Solar project (Project) located in Emardville, Red Lake County, Minnesota. The Project consists of Enbridge Solar, LLC (Plummer Solar) constructing, owning, and operating a 130-megawatt solar energy generating system and associated facilities in Red Lake County, Minnesota. The Minnesota Pollution Control Agency (MPCA) staff has reviewed the EA and have no comments at this time.

We appreciate the opportunity to review this project. Please be aware that this letter does not constitute approval by the MPCA of any or all elements of the Project for the purpose of pending or future permit actions by the MPCA. Ultimately, it is the responsibility of the Project proposer to secure any required permits and to comply with any requisite permit conditions. If you have any questions concerning our review of this EA, please contact me by email at [chris.green@state.mn.us](mailto:chris.green@state.mn.us) or by telephone at 507-476-4258.

Sincerely,
