

Staff Revised Motion (filed September 13, 2022)

Docket No. E-015/M-11-409

Minnesota Power

In the Matter of Minnesota Power's Petition for Approval of a Rider for Customer Affordability of Residential Electricity (CARE)

Staff proposes the following revised motion for the Commission for consideration at its September 15, 2022 agenda meeting. Staff removed language regarding adoption through the Commission's consent calendar. Staff confirmed with the Department that they support this change.

1. Adopt the Department's recommendations in its August 24, 2022 letter.
 - Approve the Company's proposed modifications to its CARE program ~~through the Commission's consent calendar. Under Minnesota Rules 7829.1050, the Commission may act on uncontested proceedings through its consent calendar if a proceeding presents no disputed or novel issues. This docket does not address any novel or disputed issues; therefore, the Department recommends approval through the Commission's consent calendar.~~
 - Within 10 days of the Order date, require MP to submit a compliance filing with revised tariff sheets reflecting the approved CARE program changes.
