RE: MONTHLY UPDATES
COMMUNITY SOLAR GARDENS
DOCKET NO. E002/M-13-867

Dear Mr. Wolf:

Northern States Power Company, doing business as Xcel Energy, submits the information Attachment A in compliance with Order Point 3 of the Commission's February 13, 2015 Order addressing SoCore Energy's Petition for Clarification submitted in the above-noted docket.

Per Commission Order, the Company will file monthly updates on the status of the initial cohort of 425 solar garden applications, reflecting the following information: the number of initial solar garden applications commissioned and/or still active and related MW capacity, categorized by county. For this filing, we have pulled data as of March 31, 2015.

Applications are processed within our online application and subscriber management tool. The online tool allows the Company to track and monitor applications as they move through the application process. Both the Company and Garden Operators manage applications by making ongoing adjustments and additions. Additionally, new applications can be submitted at any time. We acknowledge this process in order to note the nature of a snapshot in time as data changes often.

We have electronically filed this document with the Minnesota Public Utilities Commission, and copies have been served on the parties on the attached service list.

Please contact Jessica Peterson at Jessica.K.Peterson@xcelenergy.com or 612-330-6850 if you have any questions regarding this filing.

Sincerely,

/s/

SHAWN WHITE
