

## NOTICE OF COMMENT PERIOD

Issued: July 17, 2023

### In the Matter of CenterPoint Energy's Natural Gas Innovation Plan

**PUC Docket Number(s):** G-008/M-23-215

**Comment Period:** Initial comment period closes November 3, 2023 at 4:30pm  
Reply comment period closes January 12, 2024 at 4:30pm  
Supplemental comment period closes February 2, 2024 at 4:30pm

*Comments received after the close of the comment period may or may not be considered by the Commission.*

If parties believe that CenterPoint Energy's filing is incomplete based on the reporting requirements described in Minn. Stat. § 216B.2427, including those for a utility's "first innovation plan", and those established by the Commission's June 1, 2022 and September 12, 2022 Orders in Docket No. G-999/CI-21-566, or that the Commission's standard informal proceeding would not be appropriate,<sup>1</sup> please submit those comments by **Friday, September 15, 2023**.<sup>2</sup>

**Issue:** Should the Commission approve, reject, or modify CenterPoint Energy's 2023 Natural Gas Innovation Plan?

### Topic(s) Open for Comment:

- Should the Commission approve, reject, or modify CenterPoint Energy's 2023 Natural Gas Innovation Plan (2023 NGIA Plan)?
- Should the Commission grant CenterPoint Energy's request to spend up to 25 percent more than budgeted for pilots with higher-than-expected expenditures without seeking additional approval from the Commission, provided the increase does not cause the plan, as a whole, to exceed its statutory cost cap or fail to satisfy any other statutory requirements?

---

<sup>1</sup> See Minn. Rules 7829.1200.

<sup>2</sup> Unless warranted by comments received on September 15, 2023, the Commission does not intend to hear this matter before completion of the entire comment period.

- Should the Commission approve CenterPoint Energy’s plan for recovering the costs associated with its 2023 NGIA plan, including the requested variance to Minn. R. 7825.2400?
- Should the Commission approve CenterPoint Energy’s proposed cost-effectiveness objectives?
- Should the Commission grant CenterPoint Energy’s request to increase the statutory budget cap for the Company’s next NGIA plan, as permitted by Minn. Stat. § 216B.2427, subd. 3(c) & (d), under the condition that “a majority” of the approved cost-effectiveness objectives are achieved?
- Should the Commission approve CenterPoint Energy’s proposed plan for filing its annual status reports?
- Are there other issues or concerns related to this matter?

### Background

On June 28, 2023, CenterPoint Energy filed its first Natural Gas Innovation Plan pursuant to Minn. Stat. § 216B.2427, otherwise known as the Natural Gas Innovation Act (NGIA).<sup>3</sup> NGIA allows natural gas utilities to file, for Commission approval, innovation plans for the development or provision of innovative resources that will contribute to achieving the state’s greenhouse gas and renewable energy goals. It is the goal of the state of Minnesota that, through NGIA, utilities reduce the overall amount of natural gas produced from conventional geologic sources delivered to customers. CenterPoint’s proposed plan includes 18 pilot projects and seven research and development projects that would result in the deployment of up to seven of the eight innovative resources identified by the NGIA.

Minn. Stat. § 216B.2427 Subd.2.(b) requires the Commission to approve, modify, or reject an innovation plan and prevents the Commission from approving an innovation plan unless several criteria are met.<sup>4</sup> Additionally, Minn. Stat. § 216B.2427, subd.2(d) and subd.3 describe additional situations in which the Commission could not approve a utility’s innovation plan.

Innovation plans must utilize Commission-adopted frameworks for comparing the lifecycle greenhouse gas emissions of various innovative resources and for the cost-benefit analysis applied to the innovative resources and innovation plan. The Commission-adopted frameworks can be found within the Commission’s Orders in Docket No. G-999/CI-21-566. The same Orders set additional reporting requirements for utilities’ innovation plans that must be met for a plan to receive Commission approval.

**Filing Requirements:** Utilities, telecommunications carriers, official parties, and state agencies are **required** to efile documents using the Commission’s electronic filing system (eFiling). All parties, participants, and interested persons are encouraged to use eFiling at:

<https://www.edockets.state.mn.us/EFiling>
