Annual Small Gas Utilities Filing

- A. Lakes Community coop (formerly Community Co-ops of Lake Park) Customer Count as of this filing is 1165 customers with a total meter count of 1363. Lakes Community Coop does not discriminate between in-muni and out-muni customers. All rates and programs are the same for both.
- B. All rates remained the same from 2023-current. All future rate changes go into effect on August 1st of each year.
- C. There were no changes in the rate book for 2024.
- D. There was no change to our cold weather disconnect notice from the previous filing. The notice was mailed on August 2nd to all natural gas customers of Lakes Community Coop.
- E. As per statute since none of the municipalities request notice of disconnection we currently are not sending any notices to them.
- F. There was no change to the past due notice from the previous filing.
