##### **C. Date of Filing**

The date of this filing is November 15, 2016.

##### **D. Controlling Statute**

Exclusive electric service territories have existed in Minnesota since 1974, and are considered necessary to encourage the development of coordinated statewide electric service, to eliminate or avoid unnecessary duplication of utility facilities, and to promote economical, efficient, and adequate electric service to the public.

Minn. Stat. § 216B.37 provides electric utilities the exclusive right to serve customers within an assigned service territory, and Minn. Stat. § 216B.40 prohibits the provision of retail electric service by another utility within that assigned service territory.

Minn. Stat. §§ 216B.37-216B.47 provide the terms and conditions under which a city may extend retail electric service throughout the corporate limits of the city and

authorize and permit electric utilities to define and revise their electric service territories by their written consent and agreement.

However, two parties may agree to modify the boundary between their service territories if they receive Commission approval after notice and hearing under Minn. Stat. § 216B.39, or service by exception is consented to under Minn. Stat. § 216B.40. As such, when two parties reach an agreement regarding a change in service territory boundaries, the agreement must be submitted to the Commission for its approval. This agreement is consistent with Minn. Stat. § 216B.39. It is a permanent boundary change agreed to by both utilities as shown in the Agreement.

RECITALS

A. Northern States Power Company, a Minnesota corporation, d/b/a Xcel Energy ("Xcel Energy") is a "public utility" under Minnesota Statutes Section 216B.02, subd. 4.

B. AGRALITE ELECTRIC COOPERATIVE (the "Cooperative") is an electric cooperative formed pursuant to the provisions of Minnesota Statutes Chapter 308A..

C. Pursuant to the electric service area assignments of the Minnesota Public Utilities Commission (the "Commission") and Minnesota Statutes Sections 216B.39 and 216B.40, Xcel Energy and the Cooperative have exclusive rights to provide electric service to customers within their respective service territories.

D. The Parties have come to mutual agreement to modify the border between their exclusive service territories as outlined below. The pertinent service territory boundary between the Parties for purposes of this Agreement is shown in Attachments 1 and 2. This Agreement seeks to change this service territory boundary to that as shown in Attachment 1.

E. Because the Parties wish to: (1) encourage coordinated statewide electric service; (2) avoid unnecessary duplication of electric utility facilities; (3) promote economical, efficient, and adequate electric service to the public; and

(4) promote clarity and certainty, the Parties have come to mutual agreement to modify the border between their exclusive service territories by exchanging service rights to service territories located on that border.

NOW THEREFORE, in consideration of the promises exchanged herein, the Parties agree as follows:

1. Scope of Agreement: The scope of this Agreement is limited to the area identified as follows (see Attachment 1 for the territory line corrections):

Line corrections located in Township 125 Range 38 Section 25 running north and south and in the SE corner of section 25 of Township 125 Range 38, line running east and west then north into Township 125 Range 37 Section 30.

Line corrections located in the southern half of section 36 located in Township 125 Range 28, northern half of section 25 of Township 125 Range 38, and the NE corner of section 30 of Township 125 Range 37.

2. Exchange of existing facilities and customers: With this Agreement and change in the service territory, no existing facilities will be transferred, and there are no existing customers who will be affected.
3. Compensation: The Parties agree that no compensation is due for the exchange of service territory identified in this Agreement.
4. Reservation of Rights: Except as specifically set forth herein, this Agreement does not modify or limit the legal rights of any party.
5. No Precedent. The Parties recognize that this Agreement is the result of negotiations between the Parties and that this Agreement and the Commission's approval of this Agreement does not represent any binding or legal precedent on any party in any other matter.
6. Request for Commission Approval of the Agreement. Upon execution of this Agreement by all Parties, Xcel Energy will prepare and file a Joint Petition to the Commission by the Parties to transfer the Service Area territory, along with this Agreement as evidence of the Parties' resolution of compensation. Upon drafting of such Joint

Petition, other Party shall retain the right to review Joint Petition prior to signature of said document by duly authorized representative. Upon the signature of the Joint Petition by the duly authorized representatives, Xcel Energy will file the Joint Petition to the Commission by the Parties, along with this Agreement.

10. Miscellaneous.

- (a) Entire Agreement and Modification. This Agreement contains the entire agreement and understandings of the Parties regarding the scope of the Agreement and appropriate compensation for the service area. All previous communications, or agreements, between the Parties, either verbal or written, with reference to the subject matter of this Agreement are hereby abrogated. No amendment, modification or waiver of, or consent with respect to any provision of this Agreement shall be effective unless the same shall be in writing and signed by a duly appointed representative of all Parties and then any such amendment, modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.
- (b) Assignment. None of the Parties shall assign this Agreement, voluntarily, involuntarily or by operation of law, without the prior written consent of the other.
- (c) Severability. If any provision of this Agreement shall be found invalid or unenforceable, in whole or in part, by a court of competent jurisdiction or the Commission, then such provision shall be deemed to be modified or restricted to the extent and in a manner necessary to render the same valid and enforceable, or if that is not possible, such provision shall be stricken and deleted from this Agreement, as the case may require, and this Agreement shall then be construed and enforced to the maximum extent permitted by law and with the purpose to achieve the fundamental intent of the Parties.
- (d) Choice of Laws. This Agreement shall be construed and interpreted in accordance with the laws of the State of

Minnesota and excluding any choice of law or rules that may direct the application of laws of another jurisdiction.

- (e) Agreement Drafted Jointly. The Parties agree that none of the Parties shall be deemed solely responsible for drafting all or any portion of this Agreement, and in the event of a dispute, responsibilities for any ambiguities arising from any provision of this Agreement shall be shared equally among the Parties.
- (f) Regulation. The Parties acknowledge that this Agreement is subject to the jurisdiction of the Commission.
- (g) Effective Date. The effective date of this Agreement is the date upon which the Agreement has been signed by a duly appointed representative of both Parties.
- (h) Notice. Any notice permitted or required by this Agreement shall be made in writing and personally served or mailed (postage prepaid, return receipt requested) and shall be effective upon the date of personal service, or if by mail, upon the date of receipt.

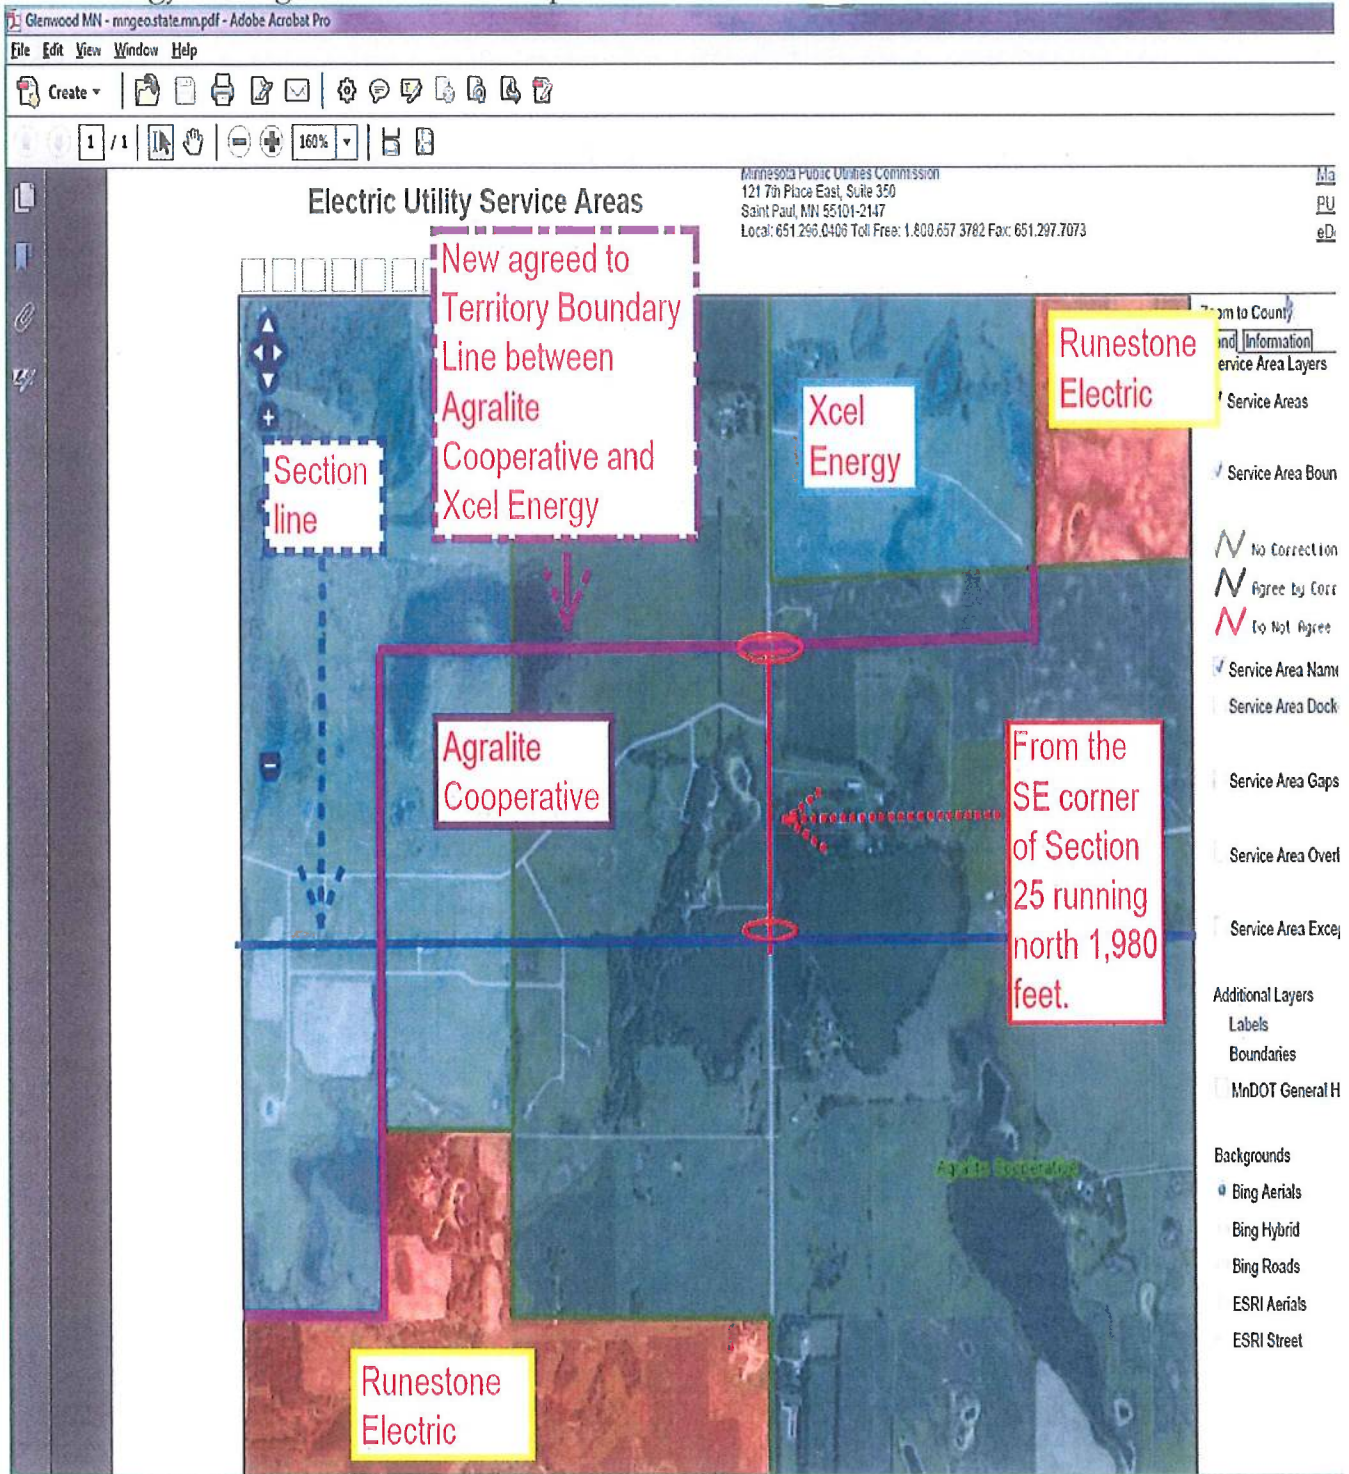

**IN WITNESS WHEREOF**, the Parties have executed this Agreement as of the day and year first above written and the Parties agree to take such additional steps and actions including execution of such instruments and other documents as are reasonably necessary to effectuate the intentions of expressed hereby.
