##### **C. Date of Filing**

The date of this filing is June 28, 2016.

##### **D. Controlling Statute**

Exclusive electric service territories have existed in Minnesota since 1974, and are considered necessary to encourage the development of coordinated statewide electric service, to eliminate or avoid unnecessary duplication of utility facilities, and to promote economical, efficient, and adequate electric service to the public.

Minn. Stat. §216B.37 provides electric utilities the exclusive right to serve customers within an assigned service territory, and Minn. Stat. §216B.40 prohibits the provision of retail electric service by another utility within that assigned service territory.

Minn. Stats. §§216B.37-216B.47 provide the terms and conditions under which a city may extend retail electric service throughout the corporate limits of the city and authorize and permit electric utilities to define and revise their electric service territories by their written consent and agreement.

However, two parties may agree to modify the boundary between their service territories if they receive Commission approval after notice and hearing under Minn. Stat. §216B.39, or service by exception is consented to under Minn. Stat. §216B.40. As such, when two parties reach an agreement regarding a change in service territory boundaries, the agreement must be submitted to the Commission for its approval. This agreement is consistent with Minn. Stat. §216B.39. It is a permanent boundary change agreed to by both utilities as shown in the Agreement.

- (b) Assignment. Neither of the Parties shall assign, or sublet, this Agreement, voluntarily, involuntarily or by operation of law, without the prior written consent of the other Party.
- (c) Severability. If any provision of this Agreement shall be found invalid or unenforceable, in whole or in part, by a court of competent jurisdiction or the Commission, then such provision shall be deemed to be modified or restricted to the extent and in a manner necessary to render the same valid and enforceable, or if that is not possible, such provision shall be stricken and deleted from this Agreement, as the case may require, and this Agreement shall then be construed and enforced to the maximum extent permitted by law and with the purpose to achieve the fundamental intent of the Parties.

- (d) **Choice of Laws.** This Agreement shall be construed and interpreted in accordance with the laws of the State of Minnesota and excluding any choice of law or rules that may direct the application of laws of another jurisdiction.

- (f) **Regulation.** The Parties acknowledge that this Agreement is subject to the jurisdiction of the Commission.
- (g) **Effective Date.** The effective date of this Agreement is the date upon which the Agreement has been signed by duly appointed representatives of both Parties.
- (h) **Notice.** Any notice permitted or required by this Agreement shall be made in writing and personally served or mailed (postage prepaid, return receipt requested) and shall be effective upon the date of personal service, or if by mail, upon the date of receipt.

**IN WITNESS WHEREOF**, the Parties hereto have executed this Agreement as of the day and year first above written and the Parties agree to take such additional steps and actions, including execution of such instruments and other documents, as are reasonably necessary to effectuate the intentions of the Parties expressed hereby.
