Thimont, MN 56176

MN PUC Docket Number: 25-389

Docket Title: Big Bend Wind Transmission Project

Enter your comments below:

Construction of the proposed power line surrounding the Cedar Lutheran Cemetery would impact all the families of those laid to rest in the cemetery. We would like ^{you} to strongly encourage an alternate route. There are other routes that seem to be a better fit so that we don't have to have power lines surrounding the cemetery. There is a tree line between two parcels of land 1/2 mile north of the cemetery that seems to have less human impact than going around the cemetery.
