Re:

In the Matter of the Joint Request of the City of Buffalo and Wright-Hennepin Cooperative Electric Association to Modify Electric Service Territory Boundaries MPUC Docket:

Dear Dr. Haar:

This letter is jointly filed by the City of Buffalo (the "City") and Wright-Hennepin Cooperative Electric Association (the "Cooperative"), collectively the "Parties."

This letter constitutes the Parties' joint request, under Minn. Stat. § 216B.39, subd. 3, that the MPUC modify the Parties' service territory boundaries. This joint request concerns the transfer to the City of certain electric service territories areas now located within the City's borders by virtue of annexation that presently are located in the Cooperative's assigned electric service territory (the "Transferred Area"). Exhibit A attached to this letter contains the Second Amendment to Electric Service Territory Agreement and Bill of Sale dated as of September 3, 2014, and related maps and legal descriptions for the Transferred Area (the "Transfer Agreement"). Under this request, the Transferred Area will permanently transfer to the City's assigned electric service territory.

The Transferred Area contains certain existing customers, namely approximately 94 residential customers, 27 street light services, and 2 CATV power supply services, and also covers areas presently under development, such as approximately 93 bare, but platted, lots. The Parties have agreed to cooperate fully in notifying affected customers as to this proceeding and the transfer of electric service. The Parties have also determined compensation to the Cooperative for the transfer of the Transferred Area, after arms-length negotiations, with each Party represented by counsel. The compensation does not reflect the position of either the Party as to the appropriate application of the law determining electric service territory rights or compensation in such matters, but represents a compromise, each Party taking into consideration the costs and risks of litigation otherwise required to resolve the transfer of service territory.

The Parties therefore jointly petition the Commission to accept and file these documents and to change the electric service boundaries of each the City and the Cooperative to conform to the agreed upon changes. The Parties also ask that the Commission provide due acknowledgment thereof and further request that the Commission provide evidence of its acceptance of this change in service territory in writing.

A copy of this letter and the accompanying documents has been mailed or emailed to the persons on the enclosed proposed service list. Please contact the Parties if you have any questions. The contact information for each of the Parties is as follows:

# SECOND AMENDMENT TO ELECTRIC SERVICE TERRITORY <u>AGREEMENT AND BILL OF SALE</u>

WHEREAS, the City of Buffalo ("City") and Wright-Hennepin Cooperative Electric Association ("Cooperative") entered an Electric Service Territory Agreement and Bill of Sale dated as of November 10, 2010, as amended by the First Amendment dated as of May 1, 2013 (the "Agreement"); and

WHEREAS, the parties desire to include within the areas transferred to the City under the Agreement an additional area commonly known as Rodeo Hills, as further described in the map and legal description attached hereto as Exhibit A (the "Transferred Area"); and

WHEREAS, the parties desire to state the compensation provisions applicable to the Transferred Area.

NOW, THEREFORE, in consideration of the promises and of the mutual covenants herein contained, the parties hereto agree to amend the Agreement (the "Second Amendment"), effective August 22, 2014, as follows:

- 1. The Cooperative hereby transfers to the City the exclusive right and obligation to provide electric service within the Transferred Area, on August 22, 2014, or such date mutually agreed upon by the Parties (the "Transfer Date"). The Transferred Area is incorporated within the Affected Areas transferred under Section 1.1 of the Agreement. The Parties agree to cooperate fully in notifying affected customers as to the transfer of electric service and in arranging the transfer of service to be as convenient and seamless as possible for the affected customers.
- 2. Upon the City's right to serve the Transferred Area, and within 30 days after receipt of an invoice from the Cooperative, the City agrees to pay (a) the original cost of the Cooperative distribution facilities in the Transferred Area (the "Facilities") that will no longer be

used by Cooperative following the transfer of service territory, less depreciation, which the Cooperative currently estimates to be \$104,789.90 and (b) the reasonable expenses to integrate the Cooperative's distribution facilities without the Transferred Area into the Cooperative's remaining distribution system, applying prudent utility planning and reliable customer service, which the Cooperative currently estimates to be \$7,500.00.

The Facilities are described in greater detail in the attached Exhibit B, which may be supplemented to add the cost, less depreciation, of facilities installed within the Transferred Area by the Cooperative after the effective date of this Second Amendment and before the Transfer Date in the ordinary and customary course of the Cooperative's business, in accordance with prudent utility planning and reliable customer service, and avoiding unnecessary duplication of facilities. Under the terms of this Second Amendment, the Cooperative hereby sells, conveys, transfers, assigns and sets over to the City, its successors and assigns, all of the right, title and interest of the Cooperative in and to the Facilities. The City hereby accepts the assignment of all of the right, title and interest of Cooperative in and to the Facilities. The Facilities are transferred by the Cooperative and accepted by the City on an "as is" "where is" "with all faults" basis, with no representations, express or implied, as to condition.

- 3. In terms of loss of revenue compensation, the City shall annually pay the Cooperative an amount equal to the result of multiplying twenty-eight (28) mills (\$0.028) times each kilowatt hour of electric energy sold by the City to each third party to whom the City provides retail electric service in the Transferred Area, for a period of ten years, commencing on the Transfer Date. The loss of revenue payments at the rate set forth in this Section 3 shall be calculated, paid, and reported pursuant to Section 2.6 of the Agreement.
- 4. The City guarantees payment to the Cooperative up to the amount of five thousand dollars (\$5,000) for Cooperative accounts which become overdue after the Transfer

Date (i.e., not paid in full within 30 days of date due) for service by the Cooperative in the Transferred Area before the Transfer Date (the "Account(s)"). Upon payment by the City for the overdue amount, the Cooperative hereby assigns to the City the rights to payments for the assigned overdue Account(s). The Cooperative will promptly forward to the City any payments received for the Accounts after assignment and will provide the City reasonably detailed information concerning the Accounts and payment status. Payment for the guarantee of the Accounts will be made within thirty (30) days of receipt of the invoice and supporting information.

- 5. This Second Amendment shall modify and amend the Agreement to include the terms and conditions hereof. The transfer and acceptance of the Transferred Area are made pursuant to the terms and conditions of the Agreement, including without limitation, the provisions of Articles III and IV. Except as specifically provided in this Second Amendment, all provisions of the Agreement shall remain in full force and effect.
- 6. In conjunction with the signing of this Second Amendment, the Parties will sign a Joint Petition to the Commission under Minn. Stat. § 216B.39, subd. 3, to modify the service territory boundary and to recognize the service territory transfer of the Transferred Area. The form of the Joint Petition is attached as Exhibit C, which may be modified upon mutual consent of the Parties. If the MPUC or Department of Commerce raises any question or challenges any provision of this transfer of service territory, the Parties shall each, at their own expense, exercise any and all lawful efforts reasonable and necessary to respond to said questions and to assure approval. If for any reason the MPUC refuses to recognize the service territory change, any payments made by City hereunder shall be repaid by Cooperative to City, upon demand by City.

The Cooperative shall promptly and diligently use commercially reasonable efforts to obtain the consent or approval of any lender which may have an interest in the rights and assets

transferred hereunder, shall make application to such lender(s) for the release of any liens as soon as practicable, and will indemnify the City against any claim which the Cooperative's lenders may make against the City as a result of the transfer under this Second Amendment.

7. This Second Amendment may be executed in counterparts, and each executed counterpart shall have the same force and effect as an original instrument.

8. By executing this Second Amendment, the Parties acknowledge that they: (a) enter into this Second Amendment knowingly, voluntarily and freely; (b) have had an opportunity to consult an attorney before signing this Second Amendment; (c) have not relied upon any representation or statement not set forth herein; and (d) have read this entire Second Amendment, understand all its terms and conditions, and have had any questions concerning the same answered to their full satisfaction.

IN WITNESS WHEREOF, this Second Amendment to the Agreement has been signed by an officer duly authorized on behalf of the parties hereto.

Re:	In the Matter of the Joint Request of the City of Buffalo and Wright-Hennepin
	Cooperative Electric Association to Modify Electric Service Territory Boundaries
	MPUC Docket: .

Dear Dr. Haar:

This letter is jointly filed by the City of Buffalo (the "City") and Wright-Hennepin Cooperative Electric Association (the "Cooperative"), collectively the "Parties."

This letter constitutes the Parties' joint request, under Minn. Stat. § 216B.39, subd. 3, that the MPUC modify the Parties' service territory boundaries. This joint request concerns the transfer to the City of certain electric service territories areas now located within the City's borders by virtue of annexation that presently are located in the Cooperative's assigned electric service territory (the "Transferred Area"). Exhibit A to this letter contains the Second Amendment to Electric Service Territory Agreement and Bill of Sale dated as of June \_\_\_, 2014, and related maps and legal descriptions for the Transferred Area. Under this request, the Transferred Area will permanently transfer to the City's assigned electric service territory.

The Transferred Area contains certain existing customers, namely approximately 92 residential customers, 27 street light services, and a CATV power supply, and also covers areas presently under development, such as approximately 99 bare, but platted, lots. The Parties have agreed to cooperate fully in notifying affected customers as to this proceeding and the transfer of electric service. The Parties have also determined compensation to the Cooperative for the transfer of the Transferred Area, after arms-length negotiations, with each Party represented by counsel. The compensation does not reflect the position of either the Party as to the appropriate application of the law determining electric service territory rights or compensation in such matters, but represents a compromise, each Party taking into consideration the costs and risks of litigation otherwise required to resolve the transfer of service territory.

The Parties therefore jointly petition the Commission to accept and file these documents and to change the electric service boundaries of each the City and the Cooperative to conform to the agreed upon changes. The Parties also ask that the Commission provide due acknowledgment thereof and further request that the Commission provide evidence of its acceptance of this change in service territory in writing.

A copy of this letter and the accompanying documents has been mailed or emailed to the persons on the enclosed proposed service list. Please contact the Parties if you have any questions.
