

**In the Matter of Xcel Energy’s Petition for Approval of Electric Vehicle Programs as part of its COVID-19 Pandemic Economic Recovery Investments;**

**In the Matter of an Inquiry into Utility Investments that May Assist in Minnesota’s Economic Recovery from the COVID-19 Pandemic.**

**Docket Nos. E002/M-20-745; E,G999/M-20-492**

Commissioner Tuma proposes the following decision option:

Tuma New 1.A. The Company shall seek external funding to support its charging infrastructure procurement and installation in Minnesota. Any external funding secured shall be tracked in its current budget proposal and used to reduce the amount covered by Minnesota ratepayers.
