**Re: In the Matter of the Application of Castle Rock Solar LLC for a Site Permit for the up to 150 MW Castle Rock Solar Project in Dakota County, Minnesota**

**Docket No. IP-7137/GS-24-267**  
**CAH Docket No. 65-2500-40800**

Dear Ms. Bergman:

Castle Rock Solar LLC (Castle Rock Solar) submits these supplemental comments to provide additional information about the buffer zone for the Lengsfeld's Organic Garden (Organic Farm) located southeast of the Project Area. As discussed in Castle Rock Solar's November 17, 2025 Reply Comments, Castle Rock Solar reached out to the owners of the Organic Farm, but had not heard back when Reply Comments were submitted.<sup>1</sup>

On November 19, 2025, the Organic Farm's owner, Evelyn Kaiser, called Castle Rock Solar in response to Castle Rock Solar's November 5, 2025 and November 13, 2025 emails requesting feedback on necessary buffers for the Organic Farm. Ms. Kaiser confirmed that a 30-foot buffer zone is adequate to avoid impacts on the Organic Farm, and noted that she had no additional concerns. As noted in Castle Rock Solar's Reply Comments, there will be at minimum 290-foot buffer from the Organic Farm.<sup>2</sup> Put together, impacts on the Organic Farm are not anticipated by Ms. Kaiser or Castle Rock Solar. Accordingly, Draft Site Permit (DSP) Special Conditions 5.9, 5.10, and 5.11, which were intended to mitigate impacts on the Organic Farm, are not supported by the record. Castle Rock Solar respectfully requests that they be removed.

A copy of this filing is also being served as designated on the Official Service List on file with the Minnesota Public Utilities Commission.
