Due to staffing availability and the need for additional time to ensure a proper public engagement process for the Public Meetings, the Applicants request that the Minnesota Public Utilities Commission (“Commission”) approve rescheduling these meetings. The Applicants request that new Public Meetings be held no later than the week of March 16, 2026.

If approved, the Applicants will work with the Commission’s Energy Infrastructure Permitting (“EIP”) Staff to schedule new primary and alternate dates for the Public Meetings.

Minn. Stat. § 216I.07, subd. 5 requires the Commission to make a decision on a request for a route permit within six months of the date the Commission determines the application is complete. The Commission determined the Application was complete on January 20, 2026. The Applicants acknowledge that this request to reschedule the Public Meetings may necessitate additional time for the Commission’s process. Under Minn. Stat. § 216I.07, subd. 5, the Applicants are agreeing to extend the time limit commensurate with the delay between the originally-scheduled and eventually rescheduled Public Meeting dates.

Please contact Drew Janke, Environmental Compliance Specialist at djanke@mnpower.com with any questions regarding this filing.
