

**NOTICE OF COMMENT PERIOD**

Issued: December 23, 2024

**In the Matter of the Application of Certificate of Need for the Northland Reliability Project 345 kV Transmission Line; and in the Matter of the Application for a Route Permit for the Northland Reliability Project 345 kV Transmission Line**

**Docket Number:** 22-416 (certificate of need); 22-415 (route permit)

**PLEASE TAKE NOTICE** that the Minnesota Public Utilities Commission (Commission) is accepting comments on the above-referenced certificate of need and route permit application with the Minnesota Public Utilities Commission. The project includes the following segments:

- A new approximately 140-mile long, double-circuit 345 kV transmission line connecting Minnesota Power's existing Iron Range Substation, Minnesota Power's new Cuyuna Series Compensation Station, and Great River Energy's existing Benton County Substation.
- The replacement of a 20-mile 230 kV line with a double-circuit 345 kV transmission line from Great River Energy's existing Benton County Substation to a new Xcel Energy Big Oaks Substation.
- The replacement of a 20-mile 345 kV line from Great River Energy's existing Benton County Substation to the existing Xcel Energy Sherco Substation in Sherburne County using double-circuit capable 345 kV structures.

**Comment Period:** Initial comment period closes **January 10** at 4:30 p.m.

Reply comment period closes **January 17** at 4:30 p.m.

Please include the docket number in all communications. Comments received after the close of the comment period may or may not be considered by the Minnesota Public Utilities Commission (Commission). This notice of comment includes questions for the applicant.

However, all interested persons and participants are invited to submit comments to the record.

**Both the applicant and responding parties are asked to raise any objection to consideration of the information by the Commission in their response.**

**Questions for the Applicant:****A. CSAH 11 and Coles Lake Mississippi River Crossing under the Co-location Maximization Option.**

1. Was there a consideration to commencing co-location North of Crow Wing CSAH 11 North of the Mississippi River to reduce the number of structures crossing the Mississippi River? If not, please explain why.
2. Is it technically feasible to reduce the number of structures crossing the Mississippi River South of CSAH 11 so that it feeds into the suggested co-location South of the river through to the Riverton Substation? If not, please explain why.
3. What would be the cost estimates for co-locating the facilities crossing the Mississippi River to keep it at two structures over the river?

**B. ALJ route alternatives E4 and E5 vs Co-location Maximization in the Rabbit Lake Area.**

The applicants, in their November 25, 2024, exceptions made several references to "Displacement of residences." As noted at page 7:

*Finally, although the ALJ Report indicates that route alternative E4 and E5 have lower costs than the Co-location Maximization Route, the cost estimates in the Environmental Assessment ("EA") for route alternatives E4 and E5 do not include the costs associated with the identified residential displacement or to relocate the Riverton Substation to accommodate these route alternatives, as these route alternatives are not constructable as proposed.*

1. Identify in the record and provide a discussion of the definition of what would constitute an "identified residential displacement."
2. If one is not in the record, provide an explanation of how the applicants are defining a "identified residential displacement" used "for route alternatives E4 and E5."
3. Provide a map for route alternatives E4 and E5 identifying the potentially displaced residences.
4. Provide a description of how the applicants would develop a cost range related to addressing displaced residences - assessed value multiplied by a factor, moving expenses, additional negotiation costs, legal expenses for eminent domain, etc.
5. Estimate the total cost of residential displacements impacted by E4 and E5.

6. Provide in greater detail support for the applicants' assertion that "these route alternatives are not constructable as proposed."
7. Provide a thorough discussion of the relocation of the Riverton Substation and any range of cost that the applicant has developed.
8. Provide an overall comparison to the cost of the ALJ route alternatives E4 and E5 with the Co-location Maximization option taking into account residential displacement and the Riverton Substation.
9. The Midcontinent Independent System Operator (MISO) just approved "Maple River – Cuyuna 345" as part of their latest Tranche (Tranche 2.1) of Long-Range Transmission Planning (LRTP).
  - a. Is the present proposal that the Maple River – Cuyuna 345 transmission line terminate at the portion of this project identified as the "Cuyuna Series Compensation Station"?
  - b. If not, where is the anticipated termination and how would it interact with this project and the substations in around Rabbit Lake?

C. Existing route shifting from Crow Wing CSAH 2 to Elk River Co-Location.

1. Provide a discussion and cost estimate as to why the applicants at the end of modified route alternative H4/H7 crossed the existing 230kv line to parallel it on the west with the proposed route.
2. By paralleling the existing 230kv line on the West side, the applicants identify five shifts of the line to avoid residential and agricultural impacts in both the Modify Proposed Route and the Co-location Maximization Route in this part of the corridor. Identify in the record and provide a discussion of the costs of each of those route shifts and the rationale for the associated costs.
3. If the proposed route will parallel existing 230kv line on the East side, identify the locations where the route would need to shift in this part of the corridor, the rationale for such shifts, and the estimated cost.
4. Provide a description, cost estimates, and rationale for why the applicants could not do a double crossover of the existing 230kv line in the areas where there are impacted residences and agricultural structures in this portion of the proposed route corridor.

**Submit Comments**

**Online:** [mn.gov/puc/get-involved/public-comments](https://mn.gov/puc/get-involved/public-comments)  
**Email:** [consumer.puc@state.mn.us](mailto:consumer.puc@state.mn.us)

**U.S. Mail:** Consumer Affairs Office  
Minnesota Public Utilities Commission  
121 7th Place East, Suite 350  
St. Paul, MN 55101

Comments will be made available to the public via the Commission's website except in limited circumstances consistent with the Minnesota Government Data Practices Act. The Commission does not edit or delete personal identifying information from submissions.

**Filing Requirements.** Utilities, telecommunications carriers, official parties, and state agencies are required to file documents using the Commission's electronic filing system (eFiling). All parties, participants, and interested persons are also encouraged to use eFiling: [mn.gov/puc/edockets](https://mn.gov/puc/edockets), select *Go to eDockets* and follow the prompts.

**Full Case Record.** See all documents filed in this matter via the Commission's website at [mn.gov/puc/edockets](https://mn.gov/puc/edockets), select *Go to eDockets*, enter the year and the docket number (22-416 for the certificate of need, 22-415 for the route permit), and select *Search*.

**Subscribe to the Docket.** To receive email notification when new documents are filed in this matter visit: <https://www.edockets.state.mn.us/EFiling> and select *Subscribe to Dockets*.

**Questions about these dockets or Commission process and procedure?** Contact Commission staff, Craig Janezich at [craig.janezich@state.mn.us](mailto:craig.janezich@state.mn.us) or 651-201-2203.

To request this document in another format such as large print or audio, call 651-296-0406 (voice). Persons with a hearing or speech impairment may call using their preferred Telecommunications Relay Service or email [consumer.puc@state.mn.us](mailto:consumer.puc@state.mn.us) for assistance.

**CERTIFICATE OF SERVICE**

I, Mai Choua Xiong, hereby certify that I have this day, served a true and correct copy of the following document to all persons at the addresses indicated below or on the attached list by electronic filing, electronic mail, courier, interoffice mail or by depositing the same enveloped with postage paid in the United States mail at St. Paul, Minnesota.

**Minnesota Public Utilities Commission  
NOTICE OF COMMENT PERIOD**

Docket Number **E015,ET2/TL-22-415 ; ET2,E015/CN-22-416**

Dated this 23<sup>rd</sup> day of December, 2024

/s/ Mai Choua Xiong
