RE: UPDATE – FUEL ADJUSTMENT FACTORS
2024 ANNUAL FUEL FORECAST AND MONTHLY FUEL COST CHARGES
DOCKET NO. E002/AA-23-153

Dear Mr. Seuffert:

Northern States Power Company, doing business as Xcel Energy, submits to the Minnesota Public Utilities Commission this update to our proposed 2024 fuel clause rates to account for the fuel adjustment factors (FAF) recently approved in the Company's electric rate case.

Order Point No. 135b of the Commission's July 17, 2023 Order in our electric rate case (Docket No. E002/GR-21-630) requires revised fuel adjustment tariffs to be in effect on the date final rates are implemented. The Company's October 17, 2023 final rates compliance filing in the rate case docket proposes to implement final rates on January 1, 2024, including the new fuel adjustment factors. The factors proposed in our initial filing, and updated in our July 31, 2023 Reply Comments, are based on the FAF approved in our prior rate case in Docket No. E002/GR-15-826, and General Service Time of Use proceeding in Docket No. E002/M-20-86. Here we provide updated 2024 fuel rates by customer class using the new fuel adjustment factors beginning on January 1, 2024. No other adjustments have been made to the fuel rates other than to update the FAF.

Attachment A, page 1, summarizes the rates by month and by customer class using the Class Ratio Adjustment. Attachment A, pages 2 and 3, show the development of the adjustment and class rates, as well as the resulting total fuel revenues which equal total forecasted fuel expense of \$1,022,748,000 as filed in our July 31, 2023 Reply Comments.

The Company respectfully requests the Commission to approve the January through December 2024 fuel rates by customer class as updated in this filing, consistent with the timing of our final rate implementation.

Please note that portions of Attachment A are marked as “Not Public.” Certain data is considered to be “not public data” pursuant to Minn. Stat. §13.02, Subd.9, and is “Trade Secret” information pursuant to Minn. Stat. §13.37, subd. 1(b) as this data derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons who can obtain economic value from its disclosure or use.

Pursuant to Minn. Stat. § 216.17, subd. 3, we have electronically filed this document, and served copies on the parties on the attached service list.

If you have any questions regarding this filing, please contact Rebecca Eilers at 612-330-5570 or rebecca.d.eilers@xcelenergy.com or me at 612-330-7681 or lisa.r.peterson@xcelenergy.com.

Sincerely,

/s/

LISA R. PETERSON
