Re: *In the Matter of the Petition of Minnesota Power for the Acquisition of ALLETE by Canada Pension Plan Investment Board and Global Infrastructure Partners*, Docket Nos. E-015/PA-24-198 and E-015/M-24-383

Acting Executive Secretary Bull:

CURE submits this letter to address a matter that was brought to our attention by another party to this proceeding. Last week LiUNA's representative reached out to CURE regarding our August 14 reply comment in this docket. We write this letter only to clarify an issue raised by LiUNA and do not seek to add any arguments or material facts to the docket.

CURE does not believe that LiUNA witness Erin Bryant directly profits from the Partners' investment funds, based on information available to CURE.¹ CURE continues to believe that LiUNA witness Erin Bryant has considerable expertise in her role at LiUNA.

We regret this filing after the comment period has ended, and trust that the commissioners will weigh this information as they see fit.
